Lenovo XG01

Lenovo XG01 TWS Bluetooth Earbuds User Manual

Model: XG01

1. INTRODUCTION

Thank you for choosing the Lenovo XG01 TWS Bluetooth Earbuds. These wireless in-ear earbuds are designed to provide a high-quality audio experience with features optimized for both music and gaming. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

2. WHAT'S IN THE BOX

Please check the package contents to ensure all items are present:

- Lenovo XG01 TWS Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- Ear Tips (various sizes)
- User Manual

Earbud Components:

- **Touch Control Area:** For managing playback, calls, and modes.
- **LED Indicator:** Displays status (pairing, charging, battery).
- **Microphone:** For calls and voice commands.
- **Ear Tip:** Ensures a comfortable and secure fit.

Charging Case Components:

- **Charging Port:** USB-C for charging the case.
- **Case LED Indicator:** Shows charging status and battery level of the case.
- **Earbud Charging Slots:** Holds and charges the earbuds.

4. SETUP

4.1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the charging case to a power source using the provided USB cable.
3. The LED indicators on the case and earbuds will show charging status. Once fully charged, the indicators will change or turn off.

The charging case has a 400mAh battery, providing extended playtime for your earbuds.

4.2. Pairing with a Device

The earbuds support automatic pairing for convenience.

1. Open the charging case lid. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for "Lenovo XG01" in the list of available Bluetooth devices and select it to connect.
4. Once connected, the earbud LED indicators will typically turn off or flash slowly.

Open the cover and automatically match

Electricity was dedicated

Image: A hand opening the Lenovo XG01 charging case, illustrating the automatic power-on and pairing feature of the earbuds.

The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

5. OPERATING THE EARBUDS

5.1. Power On/Off

- **Power On:** Open the charging case lid or take the earbuds out of the case.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically disconnect and charge.

5.2. Touch Controls

The XG01 earbuds feature touch-sensitive controls on each earbud. Specific functions may vary slightly depending on your device and application.

Action	Left Earbud	Right Earbud
Play/Pause	Single Tap	Single Tap
Next Track	Double Tap	Double Tap
Previous Track	Triple Tap	Triple Tap
Answer/End Call	Single Tap	Single Tap
Reject Call	Long Press (2s)	Long Press (2s)
Activate Voice Assistant	Long Press (2s)	Long Press (2s)
Switch Music/Game Mode	Quadruple Tap	Quadruple Tap

5.3. Music and Gaming Modes

The XG01 earbuds offer distinct modes for optimal audio performance.

- **Music Mode:** Provides Hi-Fi sound quality with stable audio decoding (AAC and SBC support) for an immersive listening experience.
- **Gaming Mode:** Features an ultra-low latency of approximately 45ms, minimizing audio delay for synchronized in-game sound and visuals. This mode is ideal for competitive gaming.

No perceptual delay at 50ms

AAC coding and SBC decoding

In game mode, 0.065 seconds of senseless delay, get the first chance to fight

Image: A visual comparison demonstrating the benefit of AAC and SBC decoding, showing a 40ms latency for an optimal gaming experience compared to a 200ms delay.

6. MAINTENANCE

6.1. Cleaning

Regular cleaning helps maintain sound quality and hygiene.

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water, then dry thoroughly before reattaching.
- Do not use abrasive cleaners or solvents.

6.2. Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged.

6.3. Water Resistance

The earbuds are water-resistant, meaning they can withstand splashes and sweat. They are not designed for swimming or prolonged submersion in water.

7. TROUBLESHOOTING

If you encounter issues, try the following solutions:

- **Earbuds not pairing:** Ensure both earbuds are charged. Place them back in the case, close the lid, then open it again to re-initiate pairing mode. Check your device's Bluetooth settings and try reconnecting.
- **No sound from one earbud:** Ensure both earbuds are charged and connected. Try resetting the earbuds (refer to manufacturer's specific reset instructions if available, or place them back in the case and try re-pairing).
- **Earbuds not charging:** Ensure the charging cable is securely connected to both the case and the power source. Check if the charging case itself has power. Clean the charging contacts on the earbuds and inside the case.
- **Poor sound quality:** Ensure the earbuds are properly seated in your ears. Try different sized ear tips for a better seal. Check for any obstructions in the earbud nozzles.
- **Connection drops:** Ensure your device is within the Bluetooth range (typically 10 meters/33 feet) and there are no significant obstructions. Avoid environments with strong electromagnetic interference.

8. SPECIFICATIONS

Feature	Detail
Brand	Lenovo
Model Name	XG01
Connectivity	Wireless (Bluetooth 5.0)
Form Factor	In-Ear
Charging Case Battery	400mAh
Low Latency (Gaming Mode)	Approx. 45ms
Speaker Unit	12mm Composite Stereo Diaphragm
Audio Decoding	AAC, SBC
Control Method	Touch Control
Microphone	Built-in
Water Resistance	Water Resistant
Noise Control	Active Noise Cancellation (as per specifications, though primary description focuses on sound quality)
Material	Plastic
Item Weight	150 grams

9. SAFETY INFORMATION

- Do not expose the earbuds or charging case to extreme temperatures, direct sunlight, or fire.
- Avoid listening at high volume levels for extended periods to prevent hearing damage.
- Keep out of reach of children and pets.

- Do not attempt to disassemble or modify the product.
- Dispose of the product responsibly according to local regulations.

10. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the documentation provided at the time of purchase or contact your retailer. Keep your proof of purchase for warranty claims.
