iQIBLA ZIKR1-22F

iQIBLA Smart Tasbih Ring User Manual

Model: ZIKR1-22F

1. PRODUCT OVERVIEW

The iQIBLA Smart Tasbih Ring is an innovative wearable device designed to assist Muslims with their daily spiritual practices. It combines traditional Tasbih counting with modern smart features, offering convenience and functionality in an elegant ring form factor.

Figure 1.1: The iQIBLA Smart Tasbih Ring, showcasing its sleek design and digital display. The ring is grey and features a counter on its OLED screen.

Key Features:

- **Compact Design:** Currently the world's smallest smart ring with a display function.
- **Seamless Connectivity:** Easily connects to Qibla Watch and smartphones via built-in Bluetooth for prayer time reminders.
- **OLED Display:** Equipped with an OLED screen for clear visuals and low power consumption.
- **Tasbih Counter:** Conveniently count and record daily Tasbih times anytime, anywhere.
- **Portable Charging Case:** Features a unique and classic portable charging case for convenient charging when not in use.

2. SETUP GUIDE

2.1 Charging the Ring

Before first use, ensure your Zikr Ring is fully charged. Place the ring into its portable charging case. The case is designed to charge the ring when it's not in use.

Figure 2.1: The Zikr Ring being inserted into its dedicated charging case. The case protects the ring and provides power.

2.2 Sizing Your Ring

To ensure comfortable wear and accurate functionality, select the correct ring size. The Zikr Ring is available in various sizes (18mm, 20mm, 22mm). Refer to the sizing guide below to determine your ideal fit.

Figure 2.2: Detailed instructions for measuring your finger to find the correct Zikr Ring size, including a conversion table for 18mm, 20mm, and 22mm sizes.

2.3 Initial Pairing (Bluetooth)

The Zikr Ring can connect to your smartphone or a compatible Qibla Watch via Bluetooth for enhanced features like prayer time reminders and data synchronization.

1. Ensure Bluetooth is enabled on your smartphone or Qibla Watch.
2. Turn on your Zikr Ring (refer to Operating section for power on/off).

3. Open the dedicated iQIBLA app on your smartphone (download from app store if not already installed).
4. Follow the in-app instructions to search for and pair with your Zikr Ring.
5. Once paired, the ring's time will synchronize, and you can configure prayer reminders and other settings.

3. OPERATING INSTRUCTIONS

3.1 Power On/Off

- **To Power On:** Press and hold the main button on the ring until the OLED display illuminates.
- **To Power Off:** Navigate to the power-off option in the ring's menu (if available) or press and hold the main button for an extended period until the display turns off.

3.2 Using the Tasbih Counter

The primary function of the Zikr Ring is its integrated Tasbih counter. This allows you to keep track of your Dhikr (remembrance of God) counts effortlessly.

Figure 3.1: The Zikr Ring on a finger, displaying a count of '99' on its OLED screen, indicating its Tasbih counting function.

- **Counting:** Each press of the main button on the ring will increment the counter displayed on the OLED

screen.

- **Resetting:** To reset the counter, typically a long press or a specific button combination (refer to the app for detailed instructions) will clear the current count.
- **Saving Counts:** The ring automatically saves your counts, and these can be synchronized with the iQIBLA app for historical tracking.

3.3 Prayer Time Reminders

Once paired with the iQIBLA app or a Qibla Watch, the ring can provide timely reminders for the five daily prayers.

- **Vibration Alerts:** The ring will vibrate subtly to notify you of upcoming prayer times.
- **Display Notifications:** The OLED screen may show a brief notification indicating the prayer time.
- **Configuration:** Prayer times and reminder settings can be customized within the iQIBLA smartphone application.

3.4 Time Display

The OLED display also functions as a time display, showing the current time for quick reference.

4. MAINTENANCE

4.1 Cleaning

To maintain the appearance and functionality of your Zikr Ring:

- Wipe the ring gently with a soft, dry, lint-free cloth.
- Avoid using abrasive materials, solvents, or harsh chemicals, as these can damage the finish and electronic components.

Figure 4.1: The Zikr Ring shown with water splashes, indicating a degree of water resistance. While resistant, avoid prolonged submersion.

4.2 Storage and Care

- Store the ring in its charging case when not in use to protect it and keep it charged.
- Avoid exposing the ring to extreme temperatures (hot or cold), direct sunlight for extended periods, or high humidity.
- Do not attempt to disassemble or repair the ring yourself, as this will void the warranty and may cause damage.

5. TROUBLESHOOTING

5.1 Common Issues and Solutions

Problem	Possible Cause	Solution
Ring not turning on	Low battery; Device malfunction	Charge the ring fully. If issue persists, contact support.
Cannot connect via Bluetooth	Bluetooth off; Ring too far; App issue	Ensure Bluetooth is on. Keep ring close to device. Restart app/ring.
Tasbih counter not responding	Button stuck; Software glitch	Gently clean button area. Restart the ring.

Problem	Possible Cause	Solution
Inaccurate prayer times	Location settings incorrect in app	Verify and update your location settings within the iQIBLA app.

If you encounter issues not listed here or if the suggested solutions do not resolve the problem, please contact iQIBLA customer support for further assistance.
