iQIBLA E0118BK

iQIBLA Zikr1 Lite Smart Tasbeeh Ring User Manual

Model: E0118BK (18mm, Black)

Introduction

The iQIBLA Zikr1 Lite Smart Tasbeeh Ring is the world's first smart ring designed for Muslim remembrance. It offers a modern and elegant alternative to traditional prayer beads, providing various functions including daily five-prayer reminders, Tasbeeh counting, and time display. This manual provides essential information for setting up, operating, and maintaining your Zikr1 Lite Smart Tasbeeh Ring.
The Zikr1 Lite ring is currently the world's smallest smart ring equipped with a display function. It utilizes modern wearable technology to assist Muslims in their daily spiritual practices.

Product Overview

The iQIBLA Zikr1 Lite Smart Tasbeeh Ring is a compact and intelligent device worn on the finger. It features an OLED display, integrated Bluetooth for smartphone connectivity, and a built-in Tasbeeh counter. The ring is designed for convenience and ease of use in daily spiritual routines.

Setup

1. Charging the Device

Before initial use, fully charge your Zikr1 Lite Smart Tasbeeh Ring. The ring is equipped with a high-capacity battery, providing up to 3 days of normal use. It can be charged anywhere, anytime via a USB cable to an adapter, power bank, or computer.

2. Determining Your Ring Size

To ensure a comfortable fit, measure your finger circumference and refer to the size guide. This product is 18mm.

3. App Installation and Bluetooth Pairing

The Zikr1 Lite ring features integrated Bluetooth, facilitating connection with a compatible Qibla watch or smartphone. Download the official iQIBLA app from your smartphone's app store (compatible with Android 5.1 or later and iOS 10.0 or later). Follow the in-app instructions to pair your ring via Bluetooth. This connection enables features like five-prayer alerts and data synchronization.

Operating Instructions

1. Power On/Off

Press and hold the main button on the side of the ring to power it on or off. The OLED display will show the power status.

2. Tasbeeh Counting

The ring includes a built-in Tasbeeh counter. Each press of the main button will increment the count displayed on the OLED screen. You can easily track and record your Tasbeeh count anytime, anywhere.

3. Prayer Reminders

Once paired with your smartphone or Qibla watch via Bluetooth, the ring can provide five-prayer alerts. These alerts will notify you of prayer times directly on your ring, Qibla watch, or smartphone.

4. Time Display

The OLED screen also displays the current time, providing a convenient way to check the time at a glance.

Maintenance

1. Cleaning

Wipe the ring with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials that could damage the display or casing.

2. Water Resistance

The iQIBLA Zikr1 Lite Smart Tasbeeh Ring is water-resistant. This means it can withstand splashes and brief exposure to water, but it is not recommended for swimming or prolonged submersion.

3. Battery Care

To prolong battery life, avoid fully discharging the ring frequently. Charge it regularly, especially if you anticipate extended periods of use. The battery charging time is approximately 2 hours.

Troubleshooting

1. Ring Not Powering On

Ensure the ring is fully charged. Connect it to a power source using the provided USB cable and allow it to charge for at least 30 minutes before attempting to power it on again.

2. Bluetooth Connectivity Issues

If the ring fails to connect to your smartphone or Qibla watch:

1. Ensure Bluetooth is enabled on your smartphone/watch.
2. Make sure the ring is within range of the device (typically 10 meters).
3. Restart both the ring and your smartphone/watch.
4. Try unpairing and re-pairing the device through the iQIBLA app settings.

3. Inaccurate Tasbeeh Count

Ensure you are pressing the main button firmly and deliberately for each count. If the issue persists, try resetting the ring (refer to the app for specific reset instructions).

4. Display Not Working

Check if the ring is powered on and fully charged. If the display remains blank or shows anomalies, contact customer support.

Specifications

Feature	Detail

Model Name	E0118BK
Brand	iQIBLA
Color	Black
Item Shape	Round
Display Type	OLED
Resolution	240 x 240
Connectivity Technology	Bluetooth
