Important Note: The brands, Mi and Xiaomi, are part of the same multinational conglomerate

An overview highlighting key features of the Mi TV 5X Series, including Premium Bezel-less Design, HDR10+, Dolby Vision, Dolby Atmos, Vivid Picture Engine 2, Reality Flow, Quad Core Processor, and PatchWall with IMDb Integration.

## SETUP GUIDE

### 1. Assembling the Stand / Wall Mounting

Your Mi TV 5X Series supports both table-top placement and wall mounting. Choose the method that best suits your needs.

- For Table Stand Assembly:** Attach the two provided table stand bases to the bottom of the TV using the four screws. Ensure they are securely fastened.
- For Wall Mounting:** A wall mount is not included and must be purchased separately. It is recommended to use a professional installation service for wall mounting to ensure safety and proper alignment.

The Mi TV 5X Series television placed on a modern wooden TV stand, demonstrating its use with the included table stand bases.

## 2. Connecting Peripherals

The Mi TV 5X Series offers a variety of ports for connecting external devices.

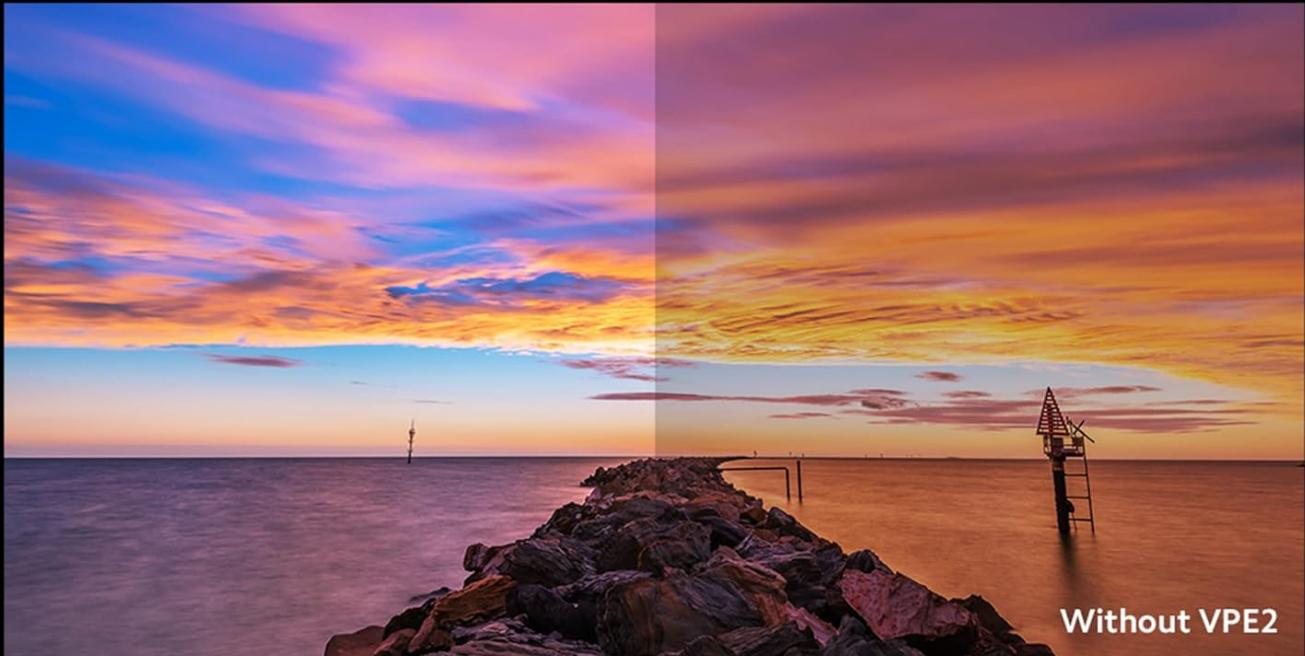

- **HDMI Ports (3x HDMI 2.1):** Connect gaming consoles, set-top boxes, Blu-ray players, and other HDMI-enabled devices. Supports ALLM (Auto Low Latency Mode) and eARC.
- **USB Ports (2x USB 2.0):** Connect USB drives for media playback or other USB devices.
- **Ethernet Port:** For wired internet connection.
- **Optical Port:** For digital audio output to soundbars or home theater systems.
- **Headphone Jack:** For connecting headphones.
- **AV Input:** For connecting older devices using composite video and stereo audio.

### 3. Initial Power On and Network Setup

After connecting all necessary cables, plug the TV into a power outlet. The TV will guide you through the initial setup process.

- Follow the on-screen prompts to select your language, region, and connect to your Wi-Fi network (Dual Band Wi-Fi supported) or wired Ethernet.
- Sign in with your Google account to access the full range of Android TV features, including the Google Play Store and Google Assistant.
- The TV features PatchWall 4 with IMDb integration, offering a smart content curation experience.

## OPERATING YOUR TV

### Remote Control Functions

The included remote control provides easy access to all TV functions.

- **Voice Assistant:** Press the dedicated button to activate Google Assistant for voice commands.
- **Quick Wake:** Turn on the TV in less than 5 seconds.
- **Quick Settings:** Long press the Mi button to enter quick settings menu.
- **Quick Mute:** Double tap the volume down button to mute the audio.
- Dedicated buttons for popular streaming services like Netflix, Prime Video, and Disney+ Hotstar.

### Smart TV Features

Your Mi TV runs on Android TV 10 and offers a rich set of smart features:

- **PatchWall 4 with IMDb integration:** Discover content easily with smart recommendations.
- **Kids Mode with Parental Lock:** Manage content access for children.
- **300+ Free Live Channels:** Access a wide range of live television.
- **Universal Search:** Find content across all your installed apps.
- **Language Universe:** Supports 16+ languages for a personalized experience.

- **Supported Apps:** Prime Video, Netflix, Disney+ Hotstar, YouTube, Apple TV, and 5000+ apps from Play Store.
- **Chromecast built-in:** Cast content directly from your mobile devices.
- **Ok Google / Far-field Mics:** Use voice commands to control your TV and smart home devices without the remote.
- **Auto Low Latency Mode (ALLM):** Enhances gaming experience by reducing input lag.

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Mi TV.

- **Cleaning the Screen:** Use a soft, lint-free cloth specifically designed for electronics. Do not use harsh chemicals or abrasive materials. Lightly dampen the cloth with water if necessary, and wipe gently.
- **Cleaning the Body:** Wipe the TV's frame and stand with a soft, dry cloth.
- **Ventilation:** Ensure adequate airflow around the TV. Do not block ventilation openings.
- **Power Off:** Always turn off and unplug the TV during electrical storms or when it will be left unattended for long periods.

## TROUBLESHOOTING

If you encounter issues with your TV, refer to the following common troubleshooting steps:

- **No Power:**

- Check if the power cord is securely plugged into both the TV and the wall outlet.
- Ensure the power outlet is functional by testing it with another device.

- **No Picture/Sound:**

- Verify that the correct input source is selected (e.g., HDMI 1, AV).
- Check all cable connections between the TV and external devices.
- Ensure the volume is not muted or set too low.

- **Remote Control Not Working:**

- Replace the AAA batteries in the remote control.
- Ensure there are no obstructions between the remote and the TV's IR sensor.

- **Network Connectivity Issues:**

- Restart your Wi-Fi router.
- Go to TV settings and re-connect to the Wi-Fi network.
- If using a wired connection, check the Ethernet cable.

- **Slow Performance/App Crashes:**

- Clear the cache of problematic apps in the TV settings.
- Restart the TV by unplugging it from the power outlet for a few minutes, then plugging it back in.

For persistent issues, please refer to the official Xiaomi support website or contact customer service.
