Ensure all parts are identified and laid out before beginning assembly. Follow the step-by-step instructions provided in the included manual for best results. Pay close attention to the orientation of panels and the secure fastening of all screws and connectors.

6. OPERATING INSTRUCTIONS

6.1 Using Drawers and Doors

The three top drawers are designed for smooth operation. Pull the burnished gold cup handles to open and push to close. The three cabinet doors below also feature smooth hinges and antique metal knobs for easy access to the storage compartments.

6.2 Adjusting Shelves

To adjust the height of the shelves within the side cabinets, carefully remove the shelf and reposition the shelf pins into the desired holes. Ensure all four pins are securely inserted before placing the shelf back into position.

7. MAINTENANCE

To ensure the longevity and appearance of your Keylucv Buffet Cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.

- **Spills:** Promptly wipe up any spills to prevent moisture damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten as necessary to maintain structural integrity.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the finish.

8. TROUBLESHOOTING

If you encounter any issues with your Keyluv Buffet Cabinet, please consider the following general advice:

- **Wobbly Cabinet:** Ensure the cabinet is placed on a level surface. Check and tighten all assembly screws.
- **Drawers/Doors Not Closing Properly:** Verify that the drawer slides and door hinges are correctly installed and aligned. Adjust hinges if necessary. Ensure no items are obstructing the closing mechanism.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support immediately for assistance.
