## Xiaomi Xiaomi Buds 3

# Xiaomi Buds 3 User Manual

Model: Xiaomi Buds 3

Brand: Xiaomi

## 1. PRODUCT OVERVIEW

---

The Xiaomi Buds 3 are advanced wireless earbuds designed to deliver a superior audio experience with features like Active Noise Cancellation (ANC), dual transparency modes, and long battery life. They are built for comfort and durability, making them suitable for various daily activities.

Figure 1.1: Xiaomi Buds 3 Earbuds and Charging Case

The Xiaomi Buds 3 come with a sleek charging case that protects and recharges the earbuds. The earbuds are designed for a comfortable and secure fit.

## Key Features

- **Up to 40dB Active Noise Cancellation (ANC):** Equipped with a powerful ANC chip for hybrid noise cancellation.
- **3 ANC Modes:** Light, Balanced, and Deep modes for various environments.
- **Dual Transparency Modes:** Stay aware of your surroundings and enhance voice frequencies for clear conversations.
- **Dual-Magnetic Dynamic Driver:** Delivers Hi-Fi sound quality with wide frequency bands and sensitive transient response.
- **32 Hours Long Battery Life:** Up to 7 hours for single earbud use, extended to 32 hours with the charging case.
- **Dual-Device Connectivity:** Connects to two devices simultaneously (smartphones, tablets, PCs).
- **Pressure Operation:** Physical button-like feedback for accurate control, avoiding miscontacts.
- **IP55 Dust and Water Resistance:** Certified for worry-free use during workouts and in light rain.
- **Wireless Charging Support:** Compatible with Qi-certified chargers.
- **Comfortable & Secure Wearing:** Lightweight (4.6g per earbud) and ergonomically designed for a stable fit.

## 2. PACKAGE CONTENTS

---

Ensure all items are present in your package:

- Xiaomi Buds 3 Earbuds (Left and Right)
- Wireless Charging Case
- Multiple sizes of Ear Tips (S, M, L)
- User Manual (this document)

## 3. GETTING STARTED (SETUP)

---

### 3.1 Charging the Case and Earbuds

Before first use, fully charge the charging case and earbuds. Place the earbuds into the charging case, then connect the case to a power source using a USB-C cable or place it on a Qi-certified wireless charger.

Figure 3.1: Charging Indicator Light

The LED indicator on the charging case will show the charging status. A solid light indicates charging, and it will turn off when fully charged.

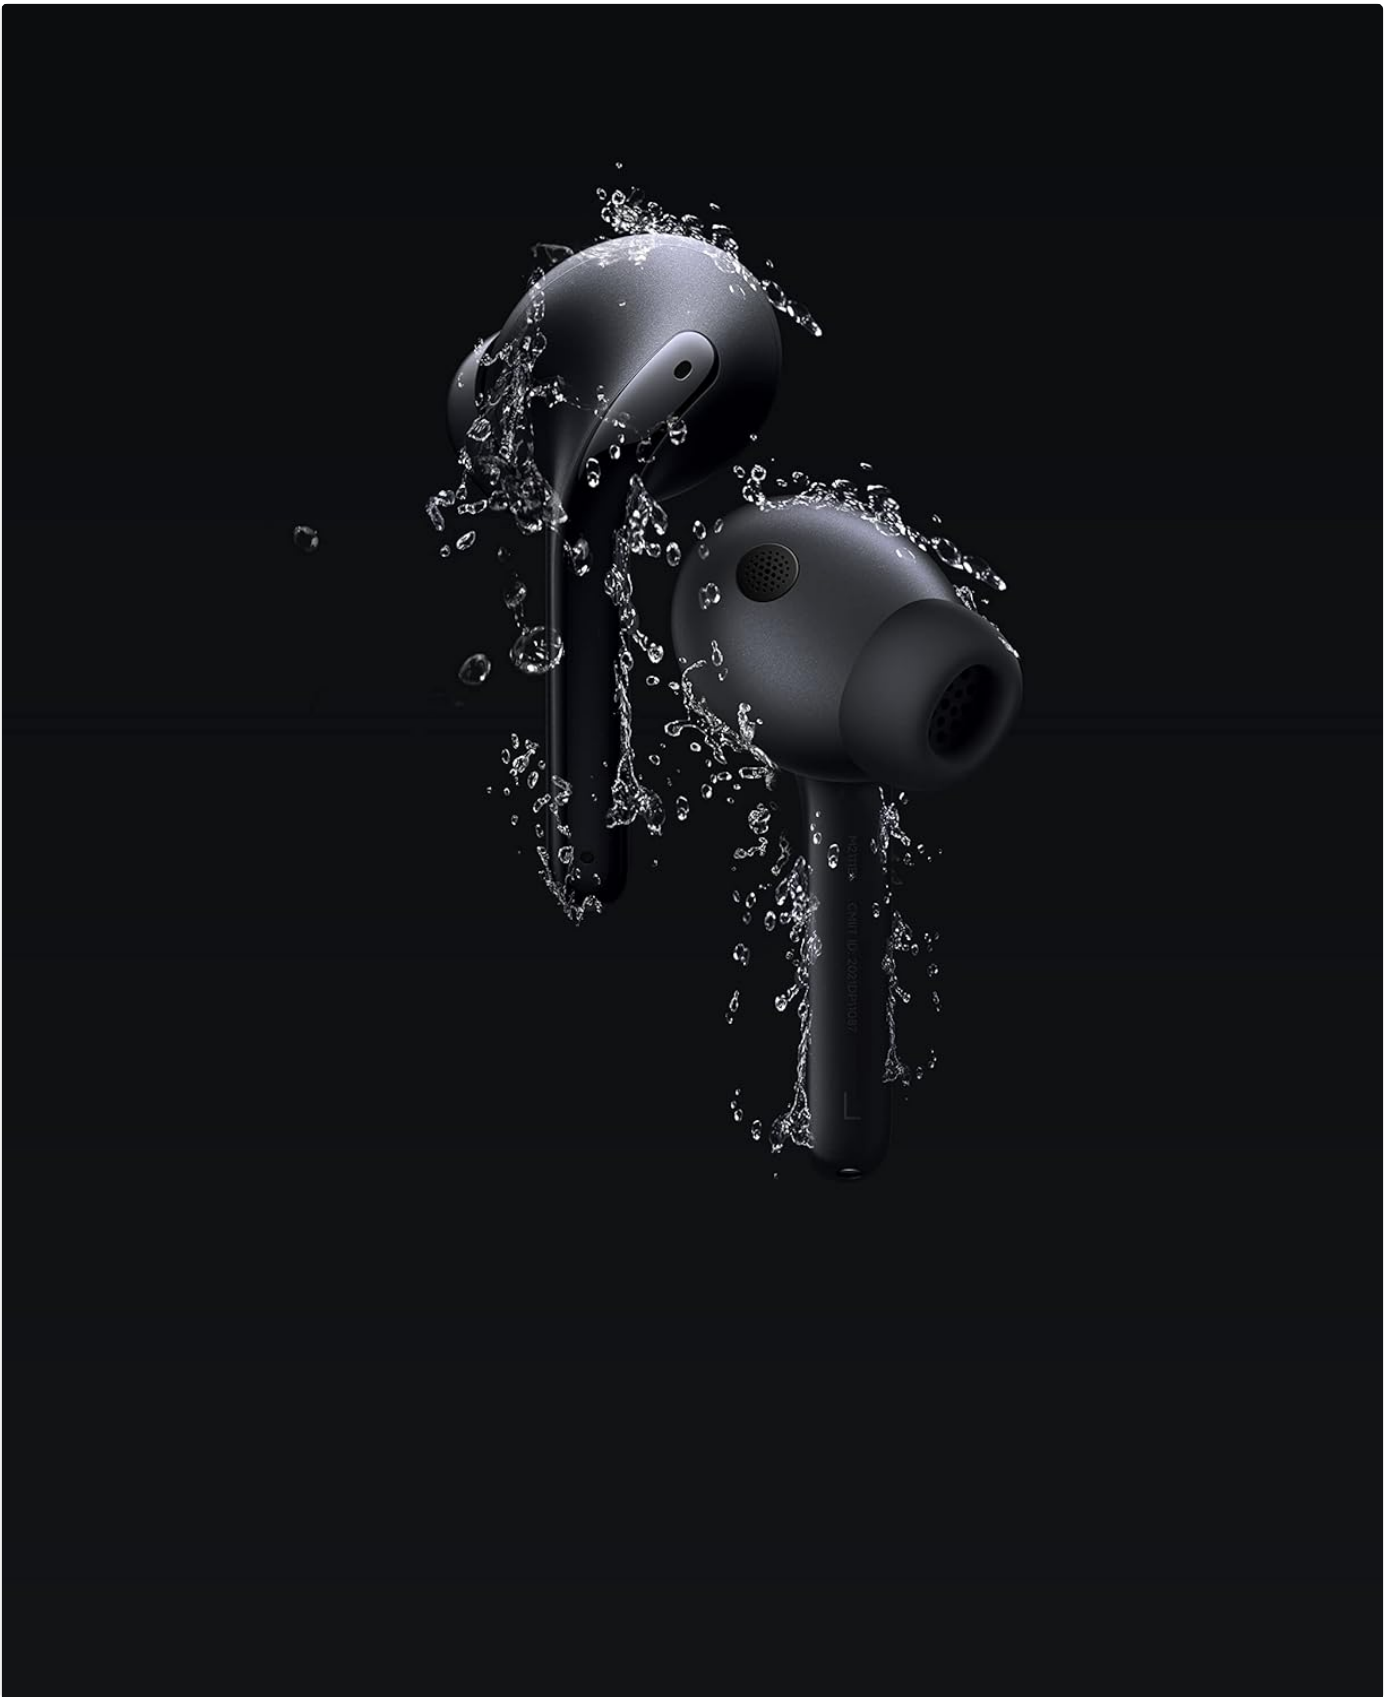

Figure 3.2: Wireless Charging

The charging case supports wireless charging, offering convenience and flexibility.

### 3.2 Initial Pairing

1. Ensure the earbuds are in the charging case and the case has sufficient battery.
2. Open the charging case lid. The indicator light will blink, indicating the earbuds are in pairing mode.
3. On your device (smartphone, tablet, PC), enable Bluetooth and search for "Xiaomi Buds 3" in the list of available devices.

4. Select "Xiaomi Buds 3" to connect. Once connected, the indicator light will turn off.

For subsequent connections, the earbuds will automatically connect to the last paired device when the case lid is opened.

### 3.3 Wearing the Earbuds

Choose the ear tips that provide the best seal and comfort. Gently insert the earbuds into your ear canal and rotate them slightly until they fit snugly and securely.

Figure 3.3: Proper Earbud Fit

A proper fit is crucial for optimal sound quality and effective noise cancellation.

Figure 3.4: Included Ear Tips

Experiment with the different ear tip sizes (S, M, L) to find the most comfortable and secure fit for your ears.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Touch Controls (Pressure Operation)

The Xiaomi Buds 3 utilize pressure-sensitive controls on the stem of each earbud. Pressing these areas provides tactile feedback, ensuring accurate command execution.

Action	Function
Single Press (Left/Right Earbud)	Play/Pause Music, Answer/End Call
Double Press (Left Earbud)	Previous Track
Double Press (Right Earbud)	Next Track
Long Press (Left/Right Earbud)	Switch ANC/Transparency Mode
Triple Press (Left/Right Earbud)	Activate Voice Assistant

### 4.2 Active Noise Cancellation (ANC) and Transparency Modes

The Xiaomi Buds 3 offer versatile noise control options:

- **ANC Modes:**

- **Deep Mode:** For highly noisy environments like subways or airplanes.
  - **Balanced Mode:** Suitable for outdoor environments like parks or cafes.
  - **Light Mode:** Ideal for quiet environments like libraries or offices.
- **Dual Transparency Modes:**
    - **Transparency Mode:** Allows you to hear your surroundings without removing the earbuds.
    - **Voice Enhancement Mode:** Specifically amplifies human voices, making conversations clearer in noisy settings.

Switch between these modes by long-pressing the earbud stem.

Figure 4.1: Microphone System for ANC and Calls

The multiple microphones work in conjunction to provide effective noise cancellation and crystal-clear call quality.

### 4.3 Dual-Device Connectivity

The Xiaomi Buds 3 can be connected to two Bluetooth devices simultaneously. This allows for seamless audio switching between, for example, your smartphone and a laptop without needing to manually disconnect and reconnect.

Figure 4.2: Dual-Device Connection

Enjoy the convenience of switching audio sources between your phone and other smart devices effortlessly.

## 5. CARE AND MAINTENANCE

---

### 5.1 Cleaning

Regularly clean your earbuds and charging case to ensure optimal performance and hygiene. Use a soft, dry, lint-free cloth. For ear tips, you can gently wipe them with a damp cloth and mild soap, then rinse and dry thoroughly before reattaching.

- Do not use abrasive cleaners or solvents.
- Avoid getting moisture into any openings.

## 5.2 Storage

When not in use, always store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

## 5.3 Water and Dust Resistance (IP55)

The Xiaomi Buds 3 are rated IP55 for dust and water resistance. This means they are protected against limited dust ingress and low-pressure water jets from any direction. They are suitable for exercise and light rain, but are not designed for swimming or showering. The charging case is not water-resistant.

Figure 5.1: IP55 Water Resistance

The IP55 rating provides protection against sweat and light splashes, making the earbuds durable for active use.

## 6. TROUBLESHOOTING

---

If you encounter issues with your Xiaomi Buds 3, try the following solutions:

### 6.1 Pairing Issues

- **Earbuds not connecting:** Ensure Bluetooth is enabled on your device and the earbuds are in pairing mode (open case lid).
- **Only one earbud working:** Place both earbuds back into the charging case, close the lid for a few seconds, then open it again. This often re-syncs them.
- **Cannot find "Xiaomi Buds 3" in Bluetooth list:** Turn off and on your device's Bluetooth. If the issue persists, try resetting the earbuds.

### 6.2 Charging Problems

- **Earbuds not charging:** Ensure the earbuds are correctly seated in the charging case. Check if the charging case itself has power.
- **Charging case not charging:** Try a different USB-C cable and power adapter. Ensure the wireless charging pad is Qi-certified and properly aligned if using wireless charging.
- **USB-C port not working:** If the USB-C port on the case is unresponsive, try wireless charging if available. If both fail, contact customer support.

### 6.3 Sound Quality Issues

- **Low volume or poor sound:** Ensure ear tips provide a good seal. Clean any earwax or debris from the earbud nozzles. Adjust volume on your connected device.
- **ANC not effective:** Ensure earbuds are properly seated and the correct ANC mode is selected for your environment.

### 6.4 Resetting the Earbuds

If issues persist, a factory reset may resolve them. Consult the official Xiaomi support resources or the full product manual for specific reset instructions, as this often involves a button combination on the case.

## 7. TECHNICAL SPECIFICATIONS

---

Feature	Specification
Model Name	Xiaomi Buds 3
Connectivity Technology	Wireless (Bluetooth 5.0)
Bluetooth Range	10 Meters
Noise Control	Active Noise Cancellation
Audio Driver Type	Dual-Magnetic Dynamic Driver
Frequency Range	20 Hz - 20,000 Hz
Earbud Weight	4.6g (each)
Total Item Weight	1.8 Ounces (approx. 51g)
Battery Life (Earbuds)	Up to 7 hours (single use)
Battery Life (with Case)	Up to 32 hours
Water Resistance Level	IP55 Dust and Water Resistant
Control Method	Pressure Operation (Button)
Included Components	Wireless Charging Case
Product Dimensions	2.56 x 1.89 x 1.02 inches (case)

## 8. WARRANTY AND SUPPORT

---

Xiaomi products are covered by a limited warranty. For detailed warranty terms and conditions, please refer to the warranty card included with your product or visit the official Xiaomi website.

For technical support, troubleshooting assistance, or to inquire about repairs, please contact Xiaomi Customer Service. You can often find support contact information on the official Xiaomi website or through your local retailer.
