SETUP

1. Mounting the Device

The Carpuride car stereo offers flexible mounting options for your dashboard or windshield.

- **Suction Mount:** Attach the suction cup bracket to a clean, smooth surface on your windshield. Ensure a secure seal.
- **Self-Adhesive Bracket:** For dashboard mounting, use the self-adhesive bracket. Clean the dashboard surface thoroughly before applying for optimal adhesion.

The device features 360-degree angle adjustment and telescopic regulation for optimal viewing.

A variety of different mounting positions, either in the central console or suctioned to the windscreen.

2. Power Connection

Connect the provided car charger to your vehicle's cigarette lighter socket and then to the stereo unit. The stereo supports 12-24V input, making it compatible with most cars and trucks.

3. Initial Power On

Long press the power button on the side of the unit to turn it on or off. A short press will mute the audio.

OPERATING INSTRUCTIONS

1. Wireless Connectivity (CarPlay & Android Auto)

The Carpuride stereo supports wireless Apple CarPlay and Android Auto. To connect:

1. Ensure Bluetooth and Wi-Fi are enabled on your smartphone.
2. On the stereo, navigate to the CarPlay or Android Auto icon.

3. Follow the on-screen prompts to pair your phone via Bluetooth. Once paired, the system will automatically establish a Wi-Fi connection for CarPlay or Android Auto.

This allows for voice control (Siri/Google Assistant) for navigation, calls, music, and messages.

2. Mirror Link Function

The device also supports wireless Mirror Link, allowing you to display your smartphone's screen directly on the stereo.

- Navigate to the Mirror Link option on the stereo.
- Follow the instructions to connect your iOS or Android device.

Image: A split image demonstrating the Mirror Link feature for both iOS and Android systems, showing how smartphone screens are mirrored onto the Carpuride stereo display.

3. Audio Output Methods

The Carpuride stereo offers multiple ways to output audio to your vehicle's sound system:

- **Built-in Speaker:** The unit has a local 8Ω 2W horn for direct audio output.
- **AUX Connection:** Connect the stereo to your car's AUX input using a 3.5mm audio cable for high-quality sound.
- **FM Transmitter:** Transmit audio wirelessly to your car's FM radio. Adjust the stereo's FM frequency to match an unused frequency on your car's radio.

Three Ways of Sounding

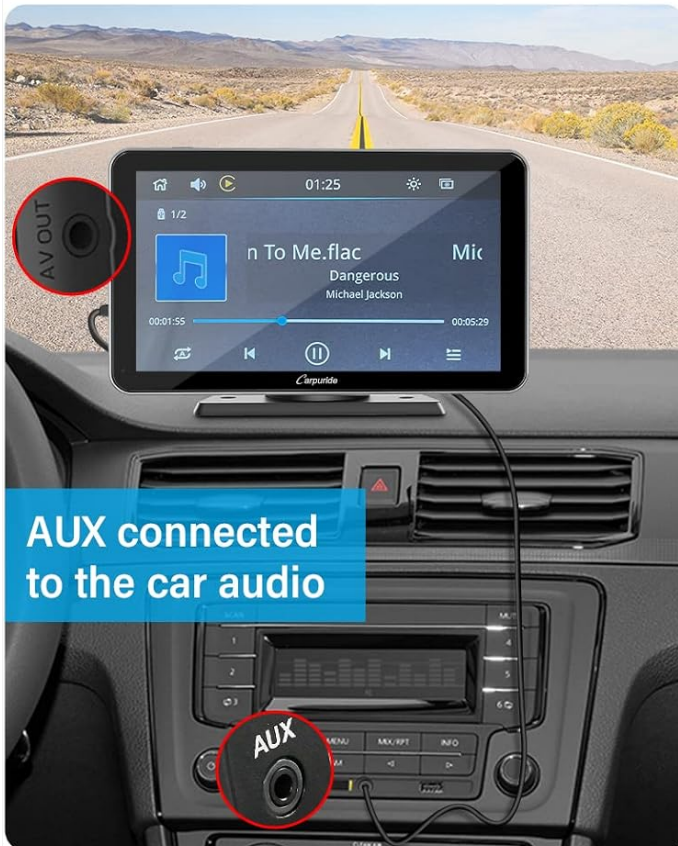

Image: A visual guide detailing the three primary audio output options for the Carpuride stereo: its integrated speaker, connection via AUX cable to the car's audio system, and FM transmission to the car radio.

4. Touch Screen Operation

The 7-inch 1024x600 HD capacitive touch screen supports 1080P video playback and offers a responsive user experience.

5. USB Charging

The unit includes a USB 5V 2.1A port for charging your mobile devices.

MAINTENANCE

To ensure the longevity and optimal performance of your Carpuride Wireless Car Stereo, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the screen and exterior. For stubborn smudges, lightly dampen the cloth with water or a screen-safe cleaner. Avoid abrasive materials or harsh chemicals.
- **Temperature:** Avoid exposing the device to extreme temperatures, both hot and cold, for extended periods.
- **Storage:** If removing the stereo for storage, keep it in a cool, dry place away from direct sunlight.

- **Cable Care:** Handle all cables and connectors gently to prevent damage.

TROUBLESHOOTING

If you encounter issues with your Carpuride Wireless Car Stereo, refer to the following common solutions:

Problem	Possible Cause	Solution
Device does not power on.	No power supply or loose connection.	Check if the car charger is securely plugged into both the stereo and the vehicle's cigarette lighter. Ensure the vehicle's ignition is on.
CarPlay/Android Auto not connecting wirelessly.	Bluetooth/Wi-Fi issues, incorrect pairing.	Ensure Bluetooth and Wi-Fi are active on your phone. Forget the device in your phone's Bluetooth settings and re-pair. Restart both the stereo and your phone.
No audio output.	Incorrect audio output setting, volume too low, or connection issue.	Verify the selected audio output method (built-in speaker, AUX, FM). Check volume levels on both the stereo and your car's audio system. If using FM, ensure the frequency matches and is clear. If using AUX, check cable connection.
Touch screen unresponsive.	Temporary software glitch.	Restart the device by long-pressing the power button.
Mirror Link not working.	Compatibility or connection issues.	Ensure your phone's operating system is compatible. Follow the specific Mirror Link connection steps carefully. Try restarting both devices.

SPECIFICATIONS

- **Model:** B09S3C6L9W
- **Screen Size:** 7 Inch
- **Screen Resolution:** 1024x600 HD Capacitive Touch Screen
- **Connectivity Technology:** Auxiliary, Bluetooth, USB
- **Wireless Features:** Apple CarPlay, Android Auto, Mirror Link
- **Bluetooth Version:** 5.0
- **Power Input:** DC 12V-24V 2.5A
- **USB Output:** 5V 2.1A (for charging)
- **Audio Output Mode:** Stereo
- **Number of Channels:** 4
- **Supported Internet Services:** Maps
- **Control Method:** Touch
- **Item Weight:** 1.85 pounds
- **Package Dimensions:** 8.82 x 6.57 x 3.5 inches

WARRANTY AND SUPPORT

For any questions, technical assistance, or warranty claims, please contact Carpuride customer service. Refer to the contact information provided in your purchase documentation or visit the official Carpuride website for support resources. The manufacturer, CARPURIDE, is committed to providing high-quality service and will assist with any inquiries promptly.
