This set is designed to encourage imaginative storytelling and role-playing. Here are some suggested ways to interact with the figures:

- **Foal Care:** Use the feeding bottle to "feed" the Quarter Horse foal. The massage brush can be used to "groom" both the mare and the foal, simulating gentle care.
- **Puppy Nurturing:** Place the puppy figure in its woven basket with the soft blanket. Use the feeding bottle to "feed" the puppy, or the food bowl for "meals."
- **Animal Interactions:** Create scenes where the mare and foal interact, or where the puppy plays with the horses. The green apples can be used as treats for the animals.
- **Storytelling:** Develop narratives around Sarah's daily routine caring for her animal babies, fostering empathy and responsibility.

5. Maintenance and Care

To ensure the longevity and cleanliness of your Schleich figures, follow these simple care instructions:

- **Cleaning:** Wipe figures with a damp cloth and mild soap if necessary. Rinse thoroughly with clean water and air dry. Avoid harsh chemicals or abrasive cleaners, as these may damage the paint or material.
- **Storage:** Store figures in a clean, dry place away from direct sunlight or extreme temperatures to prevent fading or material degradation.
- **Handling:** While durable, avoid excessive force or bending of the figures to prevent breakage.

6. Troubleshooting

As this is a set of static figures and accessories, extensive troubleshooting is generally not required. However, if you

encounter any issues:

- **Missing Pieces:** Refer to the "Package Contents" section to confirm all pieces were received. If a piece is missing upon initial unboxing, contact customer support.
