

## Casio CDP-S360

# Casio CDP-S360 Slim 88-Key Weighted Digital Piano User Manual

Model: CDP-S360

## 1. INTRODUCTION

This manual provides essential information for the proper use and care of your Casio CDP-S360 Slim 88-Key Weighted Digital Piano. Please read it thoroughly before using the instrument to ensure safe and optimal performance. Keep this manual for future reference.

Image 1.1: Top-down view of the Casio CDP-S360 Digital Piano, showcasing its full 88-key layout and control panel.

## 2. SAFETY PRECAUTIONS

- **Power Supply:** Use only the specified AC adapter or six AA-size alkaline batteries. Do not use other power sources.
- **Moisture:** Keep the instrument away from water or excessive humidity. Do not place liquid containers on the piano.
- **Heat:** Avoid exposing the instrument to direct sunlight, heat sources, or extreme temperatures.
- **Placement:** Place the instrument on a stable, level surface to prevent accidental falls.
- **Cleaning:** Disconnect the power before cleaning. Use a soft, dry cloth. Avoid abrasive cleaners or solvents.
- **Disassembly:** Do not attempt to disassemble or modify the instrument. Refer all servicing to qualified personnel.

## 3. SETUP

### 3.1 Unpacking

Carefully remove the digital piano and all accessories from the packaging. Verify that all components are present:

- Casio CDP-S360 Digital Piano
- AC Adapter

- Sustain Pedal (SP-3)
- Music Rest
- User Manual (this document)

## 3.2 Power Connection

The CDP-S360 can be powered by the included AC adapter or by batteries.

### Using the AC Adapter:

1. Connect the AC adapter to the DC 12V jack on the rear panel of the digital piano.
2. Plug the AC adapter into a standard wall outlet.

### Using Batteries:

1. Ensure the power is off.
2. Open the battery compartment cover on the bottom of the piano.
3. Insert six AA-size alkaline batteries, ensuring correct polarity (+/-).
4. Close the battery compartment cover securely.

## 3.3 Connecting Accessories

### Sustain Pedal:

Connect the included sustain pedal (SP-3) to the PEDAL jack on the rear panel. This pedal functions as a sustain pedal, allowing notes to ring out after keys are released.

### Headphones:

For private practice, connect standard stereo headphones to the PHONES/OUTPUT jack. Connecting headphones will mute the internal speakers.

### Music Rest:

Insert the music rest into the slots on the top panel of the piano.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Power On/Off and Volume

- **Power On:** Press the **[POWER]** button. The display will illuminate.
- **Power Off:** Press and hold the **[POWER]** button until the display turns off.
- **Volume Adjustment:** Use the **[VOLUME]** knob to adjust the overall sound level.

### 4.2 Key Action and Touch Response

The CDP-S360 features 88 full-size, scaled hammer-action keys with simulated ivory and ebony textures, providing a realistic grand piano feel. The touch response can be adjusted to match your playing style.

Image 4.1: A hand demonstrating the feel of the weighted keys, highlighting the realistic piano experience.

### 4.3 Tones and Rhythms

The instrument includes 700 different tones and 200 rhythms with auto-accompaniment features.

- **Selecting Tones:** Use the **[TONE]** button and the data entry dial or number buttons to select from the available tones.
- **Selecting Rhythms:** Use the **[RHYTHM]** button and the data entry dial or number buttons to select from the available rhythms.
- **Auto-Accompaniment:** Press the **[START/STOP]** button in the rhythm section to begin or end auto-accompaniment.

Image 4.2: Detailed view of the control panel, illustrating the buttons for tone and rhythm selection, along with the data entry dial.

## 4.4 Duet Mode

Duet Mode splits the keyboard into two equal ranges, allowing two players to play simultaneously in the same octave range. This is ideal for lessons or collaborative playing.

- **Activating Duet Mode:** Refer to the detailed instructions in the full manual for specific button combinations to activate and deactivate Duet Mode.

## 4.5 6-Track MIDI Recorder

The built-in 6-track MIDI recorder allows you to record your performances and layer multiple parts. This is a valuable tool for songwriting and practice.

- **Recording:** Press the **[REC]** button to start recording.
- **Playback:** Press the **[PLAY]** button to listen to your recorded performance.

## 4.6 Connectivity

The CDP-S360 offers various connectivity options for enhanced functionality.

- **USB-MIDI:** Connect the piano to a computer or smart device using a USB cable for MIDI data transfer. This allows interaction with music software and the Casio Music Space app. No special drivers are required.
- **Casio Music Space App:** Download the free Casio Music Space app for iOS and Android devices to access learning tools, customize settings, and expand your musical experience.
- **Bluetooth:** The piano supports an optional WU-BT10 Bluetooth MIDI & audio adapter for wireless connectivity to smart devices.

Image 4.3: A tablet placed on the music rest, showing the Casio Music Space app interface, demonstrating app integration.

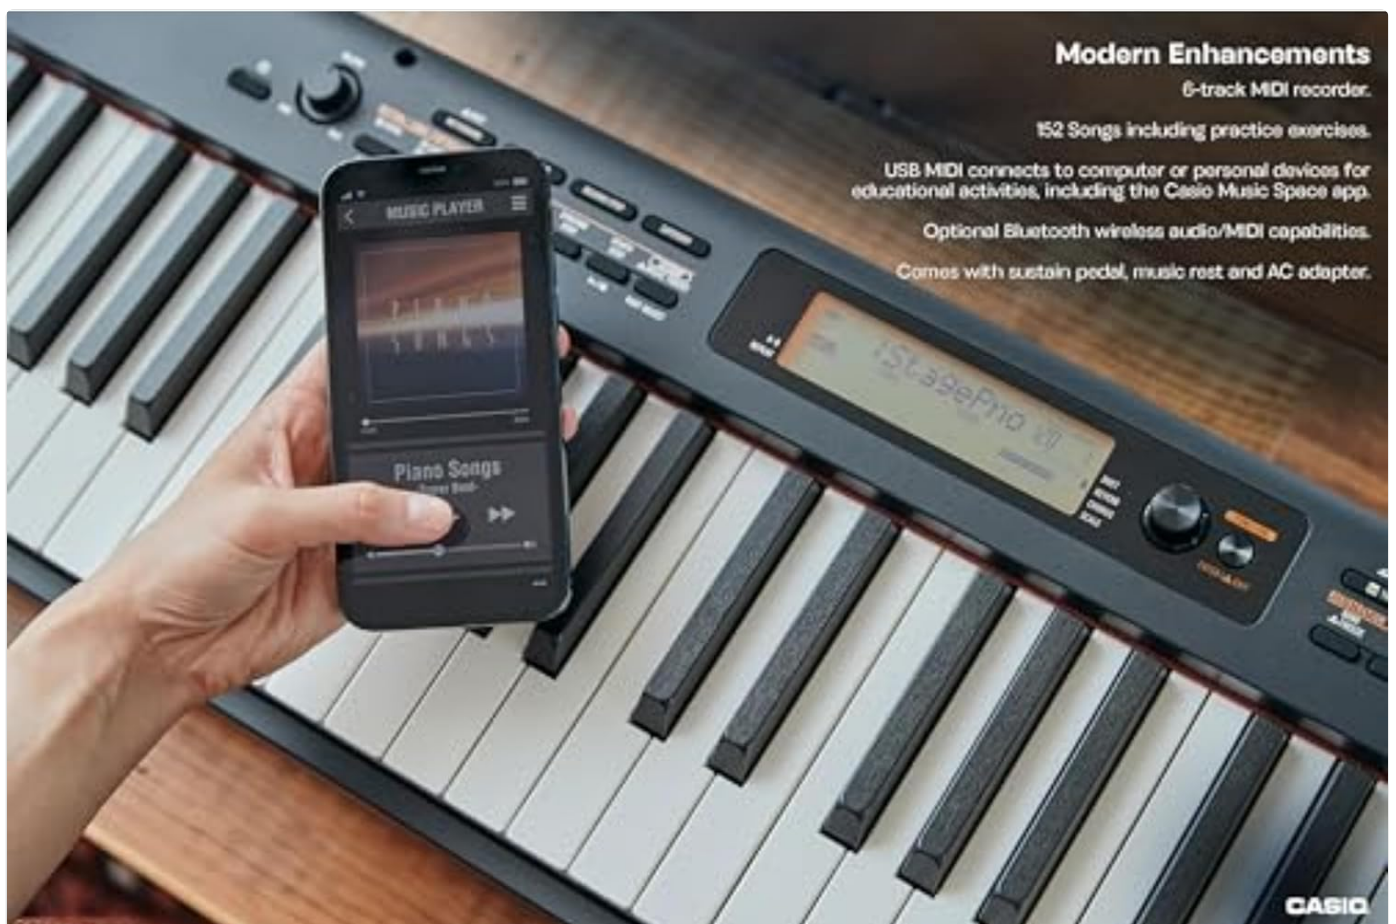

Image 4.4: A smartphone connected to the digital piano, illustrating USB-MIDI connectivity for external devices.

Image 4.5: A close-up view of the USB-MIDI ports on the rear panel of the digital piano.

## 4.7 Pitch Bend Wheel

The pitch bend wheel allows for real-time pitch modulation, adding expressive capabilities to your performance, especially with non-piano tones.

# 5. MAINTENANCE

---

## 5.1 Cleaning

To maintain the appearance and functionality of your digital piano:

- Wipe the surface with a soft, dry cloth.
- For stubborn dirt, lightly dampen the cloth with water and a mild, neutral detergent, then wipe dry immediately.
- Avoid using benzene, alcohol, paint thinner, or other chemical agents, as they can damage the finish.

## 5.2 Storage

When not in use for extended periods:

- Store the instrument in a cool, dry place, away from direct sunlight and extreme temperature fluctuations.
- If using batteries, remove them to prevent leakage and damage.
- Cover the piano with a dust cover to protect it from dust and debris.

# 6. TROUBLESHOOTING

---

If you encounter issues with your CDP-S360, refer to the table below for common problems and solutions.

| Problem                   | Possible Cause                                                                 | Solution                                                                         |
|---------------------------|--------------------------------------------------------------------------------|----------------------------------------------------------------------------------|
| No sound                  | Volume is too low or muted. Headphones are connected. Power is off.            | Increase the VOLUME knob. Disconnect headphones. Ensure the piano is powered on. |
| Keys do not produce sound | Local control is off (MIDI setting).                                           | Check MIDI settings to ensure local control is enabled.                          |
| Power does not turn on    | AC adapter not connected properly. Batteries are dead or incorrectly inserted. | Check AC adapter connection. Replace batteries or verify polarity.               |

| Problem                          | Possible Cause                                                              | Solution                                                                                                   |
|----------------------------------|-----------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|
| USB-MIDI connection issues       | USB cable is faulty or disconnected.<br>Software settings are incorrect.    | Ensure USB cable is securely connected. Check MIDI input/output settings in your software.                 |
| Bluetooth adapter not connecting | Adapter not inserted correctly. Bluetooth on device is off. Pairing failed. | Ensure WU-BT10 adapter is fully inserted. Enable Bluetooth on your smart device and attempt pairing again. |

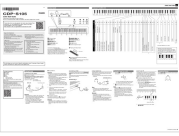

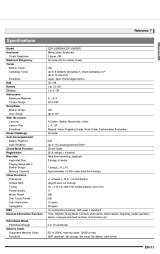

## 7. SPECIFICATIONS

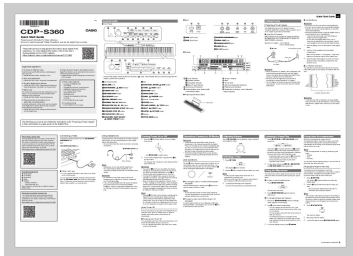

Key technical specifications for the Casio CDP-S360 Digital Piano:

| Feature                | Detail                                                                         |
|------------------------|--------------------------------------------------------------------------------|
| Model Name             | CDP-S360                                                                       |
| Number of Keys         | 88                                                                             |
| Key Action             | Scaled Hammer Action Keyboard II (with simulated ivory and ebony key textures) |
| Tones                  | 700                                                                            |
| Rhythms                | 200                                                                            |
| Polyphony              | 128-note                                                                       |

CASIO launches new models of its successful CDP-S digital piano series

Welcome the new family members CDP-S110, CDP-S160SET and CDP-S360 with improved piano tones and features

CDP-S110 in black and white

The CDP-S110 comes with an improved decay for the piano tone, now available in beautiful white as additional color.

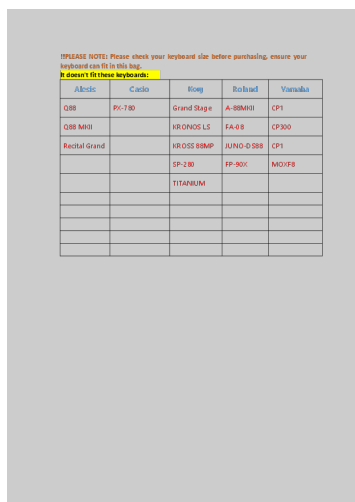

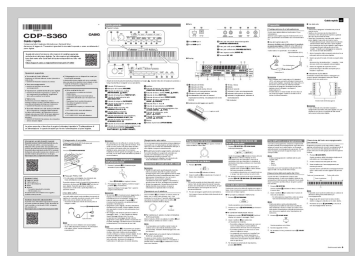

The CDP-S160SET is delivered with a stand including an in-built 3-pedal unit and has additional features such as Duet Mode, Midi recorder and scale function, available in stylish black or red body color including a black stand.

The new CDP-S flagship model CDP-S360 now features the Bluetooth Audio & MIDI capabilities known from the Privia and CasioTone ranges, thanks to the compatibility with the optional Bluetooth® Adapter WU-BT10. In addition the sound source of CDP-S360 has been enhanced by increasing the polyphony from 64 to 128 notes.

CDP-5110  
Take Your First Step on a Satisfying Musical Journey

The CDP-S110 is the entry-level model in the CDP-S digital piano series and offers an impressive range of features: authentic keyboard, sound generation and an impressive speaker system. Ten essential tones, including grand pianos and electric pianos, are waiting to be discovered and played.

CDP-S 110 is available in black and white color
