Assembly Instructions

The Schleich Horse Club Riding Center is designed for straightforward assembly. Please follow these general steps:

1. **Unpack Components:** Carefully remove all pieces from the packaging and verify against the package contents list.
2. **Assemble the Main Barn Structure:** Connect the wall panels and floor pieces as indicated in the visual guide (not provided here, refer to product packaging for detailed diagrams). Ensure all connections are secure.
3. **Attach Roof Sections:** Place the roof sections onto the main barn structure. The roof is designed to be removable for enhanced play access.
4. **Install Stalls and Gates:** Insert the stall dividers and attach the paddock gates to create individual horse stalls and an enclosed outdoor area.
5. **Add Accessories:** Place flower boxes, hay feeders, drinking troughs, and saddle holders in their designated locations.
6. **Position Figurines:** Arrange the Arabian mare, foal, and leisure rider within the playset.

Assembly may take approximately one hour. Patience is key to ensuring all parts fit correctly.

Playset Features and Interaction

The Riding Center offers various interactive elements to enhance play:

- **Removable Roof:** The roof sections can be lifted off to provide easy access to the barn's interior for arranging figures and accessories.
- **Opening Paddock Gates:** The paddock gates swing open and close, allowing for dynamic play scenarios.
- **Adjustable Stall Doors:** The stall doors can be adjusted to be halfway open or fully open, simulating real barn functionality.
- **Skylights:** Peek through the skylights on the roof for added realism.
- **Figurine Interaction:** The included Arabian mare, foal, and leisure rider can be positioned and moved throughout the playset, interacting with the various accessories like saddles, bridles, and feeding items.

Care and Maintenance

To ensure the longevity of your Schleich Horse Club Riding Center, please follow these care guidelines:

- **Cleaning:** Wipe the playset and figurines with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the paint or plastic.
- **Storage:** Store the playset in a dry, cool place away from direct sunlight to prevent material degradation or color fading.
- **Handling:** While durable, avoid excessive force or stepping on the playset components to prevent breakage.

Troubleshooting

If you encounter any issues with your playset, consider the following:

- **Parts Not Fitting:** If components do not connect smoothly, re-examine the assembly instructions and ensure you are using the correct parts for each step. Sometimes, a slight adjustment in angle or pressure is needed.

- **Missing Components:** If you believe a part is missing, carefully check all packaging materials. If a part is genuinely missing or damaged upon arrival, please contact Schleich customer support.
- **Stability Issues:** Ensure all connections are fully engaged and the playset is placed on a flat, stable surface.
