Kuzco Lighting FM1515-BG

Kuzco Lighting FM1515-BG Malta Flush Mount LED Fixture User Manual

INTRODUCTION

This manual provides essential instructions for the safe installation, operation, and maintenance of your Kuzco Lighting FM1515-BG Malta Flush Mount LED fixture. Please read this manual thoroughly before beginning installation and retain it for future reference. Proper installation and adherence to these guidelines will ensure optimal performance and safety.

Image: The Kuzco Lighting FM1515-BG Malta Flush Mount LED fixture, featuring a brushed gold frame and a white, illuminated diffuser.

SAFETY INFORMATION

- Always turn off the main power supply at the circuit breaker before installing, servicing, or cleaning the fixture.

- Consult a qualified electrician if you are unsure about the installation process.

- Ensure all electrical connections are made in accordance with local codes and ordinances, as well as the National Electric Code (NEC).

- Do not attempt to modify the fixture. Any modifications may void the warranty and create a safety hazard.

- Handle the fixture with care to avoid damage to the LED module or other components.

- This fixture is designed for indoor use only. Do not expose to moisture or outdoor elements.

PACKAGE CONTENTS

Verify that all components are present and undamaged before proceeding with installation.

- Kuzco Lighting FM1515-BG Malta Flush Mount LED Fixture (Lamp)

- Mounting Hardware (e.g., screws, wire nuts, mounting bracket)

- Instruction Manual

SETUP AND INSTALLATION

This fixture is designed for flush mount installation to a standard ceiling junction box. Professional installation is recommended.

1. **Turn Off Power:** Locate the circuit breaker controlling the lighting circuit and turn off the power. Verify power is off using a voltage tester.

2. **Prepare Mounting Surface:** Ensure the ceiling junction box is securely installed and capable of supporting the fixture's weight.

3. **Install Mounting Bracket:** Attach the fixture's mounting bracket to the junction box using the provided screws. Ensure it is firmly secured.

4. **Make Electrical Connections:** Connect the fixture's wires to the corresponding household wires. Typically, connect the black fixture wire to the black (hot) household wire, the white fixture wire to the white (neutral) household wire, and the green or bare copper fixture wire to the green or bare copper (ground) household wire. Secure connections with wire nuts.

5. **Mount the Fixture:** Carefully align the fixture with the mounting bracket and secure it in place using the provided screws or twist-lock mechanism, ensuring a flush fit against the ceiling.

6. **Restore Power:** Once the fixture is securely installed and all connections are checked, restore power at the circuit breaker.

OPERATING INSTRUCTIONS

The Kuzco Lighting FM1515-BG fixture utilizes an integrated LED module and can be controlled via an app or a remote control.

- **Initial Power On:** After installation, turn on the wall switch connected to the fixture. The light should illuminate with a warm white color.

- **App Control:** Refer to the separate instructions provided with the fixture or download the Kuzco Lighting app for detailed pairing and control options. This typically involves connecting the fixture to your home Wi-Fi network.

- **Remote Control:** If a remote control is included, ensure batteries are installed. Follow the remote's specific instructions for pairing with the fixture and controlling functions such as on/off, dimming, or

color temperature adjustments (if applicable).

MAINTENANCE

The FM1515-BG LED fixture requires minimal maintenance.

- **Cleaning:** To clean the fixture, ensure power is off. Use a soft, dry, or slightly damp cloth. Do not use abrasive cleaners, solvents, or polishes, as these can damage the finish or electrical components.

- **LED Module:** The integrated LED module is designed for long-term use and is not user-replaceable. Do not attempt to open or service the LED module.

TROUBLESHOOTING

If you encounter issues with your fixture, refer to the following common troubleshooting steps:

- **Light Does Not Turn On:**

  - Check if the power is on at the circuit breaker.
  - Ensure the wall switch is in the 'ON' position.
  - Verify all electrical connections are secure and correctly wired.

- **Light Flickers:**

  - Confirm all wiring connections are tight.
  - Ensure the fixture is compatible with any dimmer switches in use.

- **Remote Control/App Not Working:**

  - For remote control, check batteries and ensure it's within range.
  - For app control, verify Wi-Fi connectivity and app settings.

If these steps do not resolve the issue, contact Kuzco Lighting customer support.
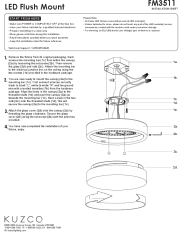

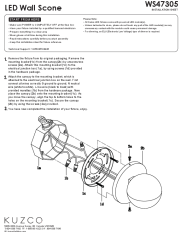

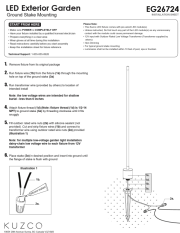

SPECIFICATIONS

Brand	Kuzco Lighting
Model Number	FM1515-BG
Color	Brushed Gold
Material	Metal
Product Dimensions	23"L x 16.5"W x 7.5"H
Item Weight	5 Pounds
Voltage	120 Volts
Light Source Type	LED Module
Light Color	Warm White
Control Method	App, Remote Control

Installation Type	Flush Mount
Indoor/Outdoor Usage	Indoor
Warranty	5-year manufacturer warranty

WARRANTY AND SUPPORT

This Kuzco Lighting FM1515-BG fixture is covered by a **5-year manufacturer warranty** from the date of purchase. This warranty covers defects in materials and workmanship under normal use.
