COBI COBI-24335

COBI Maserati MC20 Building Block Model Instruction Manual

Model: COBI-24335

PRODUCT OVERVIEW

The COBI Maserati MC20 is a highly detailed building block model of the luxury sports car. This 1:12 scale replica consists of 2269 high-quality components, designed for enthusiasts aged 12 and up. The model features functional elements such as opening butterfly doors, a working steering system that turns the front wheels, and a brick-built engine. Its design accurately reproduces the stylistic elements and interior of the real Maserati MC20.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not suitable for children under 3 years due to small components that could pose a choking risk.

This product contains small parts and is recommended for ages 12 years and up. Adult supervision is advised for younger builders within the recommended age range.

PACKAGE CONTENTS

Before beginning assembly, ensure all components are present. The package includes:

- 2,269 high-quality building block components.
- Detailed, clear, and intuitive instruction manual with illustrations and step-by-step directions.
- All necessary parts to construct the 1:12 scale Maserati MC20 model.

ASSEMBLY INSTRUCTIONS

Follow the included instruction manual carefully. The manual provides step-by-step guidance for assembling the COBI Maserati MC20 model. Each step is illustrated to ensure clarity and ease of construction.

1. **Unpack Components:** Carefully open all numbered bags containing the building blocks. It is recommended to sort components by type or color to facilitate assembly.
2. **Follow Step-by-Step Guide:** Refer to the instruction manual for the precise order of assembly. Each section of the model is typically built in sequence.
3. **Ensure Secure Connections:** Press blocks firmly together to ensure a stable and durable construction.
4. **Verify Part Usage:** Double-check that the correct parts are used for each step as indicated in the manual.

OPERATING FEATURES

The assembled COBI Maserati MC20 model includes several interactive features:

- **Working Steering:** The front wheels can be turned using the steering mechanism.
- **Opening Butterfly Doors:** The model features functional butterfly doors that can be opened and closed.
- **Detailed Engine:** A brick-built engine is located centrally behind the driver's back, accessible via an opening compartment.
- **Opening Front Hood:** The front hood can be opened to reveal internal details.

MAINTENANCE AND CARE

To maintain the appearance and integrity of your COBI Maserati MC20 model:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid accidental detachment of parts.

TROUBLESHOOTING

If you encounter issues during assembly or with the completed model:

- **Missing Parts:** If any parts are missing, refer to the COBI customer support information provided with your product or visit the official COBI website for assistance.
- **Difficulty Assembling:** Re-check the instruction manual for the specific step. Ensure all previous steps were completed correctly and that the correct parts are being used. Sometimes, a small misalignment can prevent parts from fitting properly.
- **Loose Connections:** If parts feel loose, ensure they are pressed firmly together. COBI blocks are known for their strong clutch power.

SPECIFICATIONS
