HOOBRO BF80HX01

HOOBRO BF80HX01 Shoe Storage Bench User Manual

Model: BF80HX01 | Brand: HOOBRO

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your HOOBRO BF80HX01 Shoe Storage Bench. Please read these instructions carefully before assembly and use to ensure proper function and safety. Keep this manual for future reference.

Image: The HOOBRO BF80HX01 Shoe Storage Bench, featuring a padded top, six shoe compartments, and a rustic brown finish, positioned in an entryway.

SAFETY INFORMATION

- **Maximum Static Load Capacity:** The surface of the bench can support a maximum static load of 220 pounds (100 kg). Do not exceed this weight limit.
- **Placement:** Use the bench in a ventilated and dry indoor environment. Avoid exposure to direct sunlight or excessive moisture.
- **Stability:** Ensure the bench is placed on a flat, stable surface. Secure the bench to prevent tipping, especially if children are present.
- **Assembly:** Follow all assembly instructions carefully. Do not overtighten screws, as this may damage the material.
- **Children:** Keep small parts and packaging materials away from children during assembly.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact HOOBRO customer support.

- All wooden panels (sides, bottom, dividers, top lid)
- Padded cushion
- Metal hinges and gas lift mechanism for the flip-open top
- Side pull rings
- Assembly hardware (screws, dowels, etc.)
- Assembly tool (e.g., Allen wrench)
- Instruction manual

ASSEMBLY INSTRUCTIONS

Assembly typically requires a Phillips head screwdriver in addition to the provided tools. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and identify each part using the provided parts list in your physical manual.
2. **Assemble the Main Frame:** Connect the side panels to the bottom panel and back panel using the designated screws and dowels. Ensure all connections are secure.
3. **Install Internal Dividers:** Insert the vertical and horizontal dividers to create the six shoe compartments.
4. **Attach Side Pull Rings:** Secure the metal pull rings to the designated holes on the side panels.
5. **Attach the Top Lid and Cushion:**
 - Attach the hinges to the back edge of the main frame and the underside of the top lid.
 - Install the gas lift mechanism to support the flip-open function of the lid.
 - Place the padded cushion securely on top of the lid.
6. **Final Check:** Verify that all screws are tightened and the bench is stable.

Image: A close-up view of the gas lift mechanism and hinges that allow the bench's top lid to flip open smoothly, highlighting the 2.4-inch depth of the hidden storage.

OPERATING INSTRUCTIONS

- **Seating:** The padded cushion provides a comfortable surface for sitting while putting on or taking off shoes. The bench is designed to accommodate up to two individuals, with a maximum weight capacity of 220 lbs.
- **Shoe Storage:** Utilize the six open compartments for organizing shoes. Each compartment is designed to hold one to two pairs of shoes, depending on size.
- **Hidden Storage:** Lift the padded top to access the hidden storage compartment. This space is ideal for storing smaller items such as socks, gloves, scarves, or other entryway essentials. The gas lift mechanism ensures smooth and safe opening and closing of the lid.
- **Portability:** The integrated metal pull rings on the sides facilitate easier movement of the bench when needed.

• Convenient Side Pull Ring

Image: A close-up of the metal pull ring located on the side of the bench, designed for easy repositioning.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the surface of the bench with a dry cloth to remove dust and dirt. For the PU leather cushion, a damp cloth can be used for spills, followed by drying. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** Promptly clean any spills to prevent staining or damage to the engineered wood finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Environment:** Keep the bench away from direct heat sources, extreme temperatures, and prolonged exposure to moisture to preserve its material integrity.

TROUBLESHOOTING

- **Bench feels wobbly:** Ensure all assembly screws are fully tightened. Check that the bench is on a level surface. Adjust if

necessary.

- **Lid does not open/close smoothly:** Inspect the hinges and gas lift mechanism for any obstructions or loose connections. Ensure they are properly aligned and secured.
- **Parts missing or damaged:** Refer to the "Package Contents" section. If parts are missing or damaged upon arrival, contact HOOBRO customer support for assistance.

SPECIFICATIONS

Model Number	BF80HX01
Product Dimensions (L x W x H)	31.5" x 12.2" x 18.1"
Material	Engineered Wood, Metal (Frame)
Color	Rustic Brown, Black (Cushion)
Item Weight	13 Kilograms (approx. 28.6 lbs)
Maximum Weight Recommendation	220 Pounds (100 kg)
