

## Igloo HLC 12

# Igloo HLC 12 Cooler Instruction Manual

Model: 00066198

## 1. INTRODUCTION

The Igloo HLC 12 cooler is designed for portability and extended cooling performance, suitable for various outdoor activities and daily use. Its MaxCold insulation helps keep contents cool for longer durations. This manual provides essential information for the proper setup, operation, and maintenance of your cooler.

## 2. PRODUCT FEATURES

- **Durable Construction:** Made of 600-denier polyester with a TPE coating for lasting use.
- **MaxCold Insulation:** Features 25% increased insulation to keep food and drinks cooler for longer periods.
- **Easy Access Lid:** The lid includes a top hatch for convenient access to contents.
- **Additional Storage:** A deep, gusseted front pocket provides extra space for accessories.
- **Robust Hardware:** Equipped with non-corrosive, durable hardware.
- **Compact Design:** Its size is ideal for boating and easy storage.
- **Comfortable Carrying:** Includes a padded adjustable shoulder strap for comfortable transport.
- **Easy to Clean:** Features a leak-resistant, easy-to-clean soft liner and a removable, easy-to-clean hard plastic liner.

## 3. SETUP

1. **Unpack:** Carefully remove the cooler and all its components from the packaging. Dispose of packaging materials responsibly.
2. **Initial Cleaning:** Before first use, wipe down the interior and exterior surfaces of the cooler with a damp cloth and mild soap. Rinse thoroughly and allow to air dry completely.
3. **Insert Hard Liner:** Place the removable hard plastic liner into the main compartment of the cooler.

Ensure it sits securely at the bottom.

## 4. OPERATING INSTRUCTIONS

---

1. **Pre-chill (Optional):** For optimal cooling performance, pre-chill the cooler with ice or ice packs for a few hours before loading.
2. **Loading Contents:** Place your food and beverages inside the main compartment. Use ice, ice packs, or gel packs to maintain desired temperatures.
3. **Secure Closure:** Ensure the main zipper is fully closed to maximize insulation and prevent leaks. The top hatch can be used for quick access without fully opening the main compartment.
4. **Utilize Pockets:** Use the deep front pocket and mesh side pockets for storing non-perishable items, utensils, or other small accessories.
5. **Carrying:** Adjust the padded shoulder strap to a comfortable length for carrying. The top handles can also be used for short-distance transport.

## 5. MAINTENANCE

---

1. **Cleaning Interior:** After each use, remove the hard plastic liner. Wipe the soft interior liner with a damp cloth and mild dish soap. For stubborn stains, a soft brush can be used.
2. **Cleaning Hard Liner:** The removable hard plastic liner can be washed with warm water and mild soap, or placed on the top rack of a dishwasher if suitable (check product markings).
3. **Cleaning Exterior:** Wipe the exterior with a damp cloth. Avoid abrasive cleaners that may damage the TPE coating.
4. **Drying:** Ensure all parts of the cooler are completely dry before reassembling and storing to prevent mold and mildew growth.
5. **Storage:** Store the cooler in a cool, dry place away from direct sunlight when not in use.

## 6. TROUBLESHOOTING

---

- **Reduced Cooling Performance:**
  - Ensure the lid zipper is fully closed and sealed.
  - Verify that sufficient ice or ice packs are used for the volume of contents.
  - Avoid prolonged exposure to direct sunlight or hot environments.
- **Leaks:**
  - Check the soft interior liner and hard plastic liner for any tears or damage.
  - Confirm the main zipper is completely closed and free of obstructions.

## 7. SPECIFICATIONS

---

Feature	Detail
Brand	Igloo

Model Name	HLC 12 (Castlerock)
Item Model Number	00066198
Color	CASTLEROCK
Material	Polyester
