WLIVE Dresser for Bedroom with 5 Drawers Instruction Manual

Brand: WLIVE | Model: ASNG020HX2

PRODUCT OVERVIEW

The WLIVE Dresser for Bedroom with 5 Drawers is a versatile and practical storage solution designed to enhance organization in various living spaces. This wide chest of drawers features a sturdy steel frame and durable fabric bins, making it suitable for bedrooms, closets, living rooms, hallways, dorms, and offices. Its thoughtful design combines functionality with a modern aesthetic.

The dresser's wood top provides a stable surface for displaying decorative items, lamps, or keeping frequently accessed essentials within reach. The five removable and foldable drawers are equipped with easy-pull handles, ensuring smooth operation. Additionally, four adjustable feet protect your flooring from scratches and allow for minor leveling adjustments on uneven surfaces.

PRODUCT DIMENSIONS

The overall dimensions of the WLIVE 5-Drawer Dresser are 39.1 inches (L) x 11.7 inches (W) x 21.7 inches (H). These compact dimensions make it an ideal choice for spaces where maximizing storage without occupying excessive floor area is crucial.

SETUP AND ASSEMBLY

The WLIVE Dresser is designed for easy assembly. All necessary hardware, including installation accessories and tools, are included in the package. Follow the provided installation instructions carefully to ensure proper and stable construction.

Assembly Steps:

1. Unpack all components and verify against the parts list in the instruction manual.
2. Assemble the steel frame according to the diagrams. Ensure all connections are secure.
3. Attach the wood top to the assembled frame.
4. Insert the adjustable feet into the base of the frame and adjust as needed for stability.
5. Unfold the fabric drawers and insert the bottom stabilizer boards.
6. Place the assembled drawers into their respective compartments in the frame.

For visual guidance, an assembly video may be available from the manufacturer. The estimated assembly time is approximately 45 minutes for one person.

OPERATING INSTRUCTIONS

To operate the dresser, simply pull the handles to open the drawers and push them back in to close. The fabric bins are designed to slide smoothly within the steel frame. Organize your clothes, accessories, and other daily necessities within the drawers to maintain a tidy living space.

Usage Tips:

- Distribute weight evenly across the drawers to prevent strain on the frame.
- Avoid overloading drawers to ensure they open and close smoothly and to prevent damage to the fabric bins.
- Utilize the wood top for lightweight decorative items or small electronics.

MAINTENANCE

To maintain the appearance and longevity of your WLIVE Dresser, follow these simple care instructions:

- **Cleaning:** Wipe the wood top and steel frame with a dry cloth to remove dust and debris. For the fabric bins, spot clean with a damp cloth and mild detergent if necessary, then allow to air dry completely.
- **Avoid Moisture:** Keep the dresser away from excessive moisture or direct sunlight to prevent warping of the wood top or fading of the fabric.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight and secure.

TROUBLESHOOTING

If you encounter any issues with your WLIVE Dresser, refer to the following common troubleshooting tips:

- **Drawers not closing smoothly:** Check if drawers are overloaded. Ensure the bottom stabilizer board is correctly inserted and flat. Verify that the frame is level using the adjustable feet.
- **Dresser wobbles:** Adjust the four leveling feet at the bottom of the frame until the dresser is stable on your floor.
- **Missing parts during assembly:** Double-check all packaging materials. If parts are still missing, contact WLIVE customer support for assistance.

Important Safety Information: Don't overload the drawers to the point where they become difficult to close. Overstuffed drawers can put extra pressure on the structure and increase the risk of damage.
