WLIVE ASNG098DHS2

WLIVE Storage Organizer Unit Instruction Manual

Model: ASNG098DHS2

Brand: WLIVE

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your WLIVE Storage Organizer Unit. Please read thoroughly before beginning assembly or use to ensure proper and safe functionality.

SAFETY INFORMATION

Important Safety Note: Like most tall furniture, this dresser should be anchored to the wall to prevent tipping. This is especially important if you have children or pets. The dresser may become unstable if not secured properly. Always use the anti-tipping accessories included with your unit.

PRODUCT FEATURES

- **Multifunction Drawer Tower:** Ideal for controlling clutter in bedrooms, playrooms, and entryways.
- **Roomy Storage Space:** Features 11 foldable deep drawers for extensive organizational possibilities. The wooden top provides a stable surface for lamps, clocks, and other daily essentials.

- **Sturdy and Durable:** Constructed with a strong steel frame and a water-resistant wood top for stable support and long-term use.
- **Adjustable Feet:** Equipped with 4 adjustable plastic feet to protect floors from scratches and ensure stability on uneven surfaces.
- **Safe for Your Family:** Includes anti-tipping accessories for secure placement. Made with breathable and harmless non-woven synthetic fabric.
- **Overall Dimensions:** 39.6" L x 11.8" W x 49" H.

PRODUCT OVERVIEW

The WLIVE Storage Organizer Unit is designed for versatile storage. It features a robust steel frame, a durable wood top, and multiple fabric drawers. The unit's design allows for easy integration into various room settings.

SETUP AND ASSEMBLY

The WLIVE Storage Organizer Unit is designed for straightforward assembly. All necessary hardware and detailed instructions are included. Assembly typically requires only one Allen wrench, which is provided.

Assembly Steps:

1. Unpack all components and verify against the parts list in the included instruction manual.
2. Assemble the steel frame structure using the provided Allen wrench and screws. Ensure all connections are secure.

STURDY STEEL FRAME

Figure 6: Steel frame assembly.

3. Attach the wooden top to the assembled frame.
4. Assemble the fabric drawers by inserting the stiff inserts into the bottom of each drawer.

Figure 7: Fabric drawer construction.

5. Attach the handles to the front of each fabric drawer.
6. Insert the assembled drawers into their respective slots in the frame.
7. Adjust the plastic feet at the bottom of the unit to ensure stability and protect your floor.

OPERATING INSTRUCTIONS

The WLIVE Storage Organizer Unit is designed for simple and efficient use. The fabric drawers slide smoothly for easy access to your stored items.

- To open a drawer, gently pull the handle outwards.
- To close a drawer, gently push it back into the frame until it is fully seated.
- Organize items within the spacious drawers according to your needs. The drawers are suitable for clothing, accessories, small household items, and more.
- The wooden top surface can be used to display decorative items, place lamps, or keep frequently used items within reach.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your WLIVE Storage Organizer Unit, follow these simple care instructions:

- **Cleaning:** Wipe the steel frame and wooden top with a dry, soft cloth. For the fabric drawers, spot clean with a damp cloth and mild detergent if necessary, then air dry. Do not use harsh chemicals or abrasive cleaners.
- **Stability Check:** Periodically check that all screws and connections are tight, especially if the unit is moved. Re-tighten if necessary.
- **Weight Distribution:** Distribute weight evenly across the drawers and on the top surface to maintain stability and prevent warping. Avoid overloading drawers.
- **Environment:** Keep the unit in a dry environment. Avoid prolonged exposure to direct sunlight or extreme humidity.

TROUBLESHOOTING

If you encounter any issues with your WLIVE Storage Organizer Unit, please refer to the following common solutions:

Problem	Possible Cause	Solution
Unit feels unstable or wobbly.	Feet are unevenly adjusted or unit is not anchored.	Adjust the plastic feet to level the unit. Ensure the unit is securely anchored to the wall using the anti-tipping kit.
Drawers do not slide smoothly.	Drawer is overloaded or not properly inserted.	Reduce the weight in the drawer. Ensure the drawer is fully and correctly inserted into its slot. Check for any obstructions.
Missing parts during assembly.	Packaging error.	Contact WLIVE customer support immediately with your purchase details.

SPECIFICATIONS

Brand: WLIVE
