IKIFLY Mirrored Electric Fireplace TV Stand Instruction Manual

Model: 324958369859

Brand: IKIFLY

Introduction

This manual provides essential information for the safe and efficient operation of your IKIFLY Mirrored Electric Fireplace TV Stand. Please read all instructions carefully before assembly and use. This electric fireplace features a mirrored finish with faux crystal accents, a 3D realistic flame effect, and a heating function, designed for freestanding placement in various rooms.

Safety Information

Your safety is paramount. Please adhere to the following guidelines:

- **Overheating Safety Protection:** The unit is equipped with an automatic power-off feature to prevent overheating and potential fire incidents.
- **Cool-Touch Cabinet:** The exterior cabinet remains cool to the touch during operation, ensuring safety for children and pets.
- **Electrical Requirements:** Ensure the product is connected to a properly grounded outlet. If you are unsure, consult a qualified electrician.
- **Placement:** Do not block air vents. Maintain adequate clearance around the unit for proper ventilation.
- **Compliance:** This heater complies with applicable North American safety and performance standards.

Product Features

- **Mirrored Design:** Features a fascinating mirror finish with faux crystal (crushed diamond) accents on both sides, enhancing aesthetic appeal.
- **Realistic 3D LED Flame Effect:** Ultra High Intensity LED lights create a realistic 3D flame effect. The flame effect

can be operated independently of the heat.

- **7 Color Options:** The flame display offers 7 different color settings to match your ambiance.
- **Adjustable Brightness:** Flame brightness can be adjusted to your preference.
- **Dual Heat Settings:** Provides 750W and 1500W heating device power modes for adjustable warmth and energy efficiency.
- **Remote and Manual Control:** All functions, including flame and heating, can be controlled via the included remote or the dedicated buttons on the fireplace insert.
- **Low Noise Operation:** Designed for quiet performance, ensuring a peaceful environment.

Setup

The IKIFLY Mirrored Electric Fireplace TV Stand requires assembly. Please follow the included assembly instructions carefully.

- **Assembly Recommendation:** Two-person assembly is recommended for ease and safety due to the size and mirrored components.
- **Tools:** Ensure you have the necessary tools as specified in the separate assembly guide.
- **Placement:** Choose a stable, level surface for placement. Ensure it is near a grounded electrical outlet.

Operating Instructions

Your electric fireplace can be operated using the included remote control or the control panel on the unit.

Using the Remote Control

Your browser does not support the video tag.

Video: Demonstration of the remote control functionality for the electric fireplace, showing various flame colors and heat settings.

1. **Power On/Off:** Press the power button to turn the unit on or off.
2. **Flame Color:** Use the 'Color' button to cycle through the 7 available flame colors.
3. **Flame Brightness:** Adjust the flame intensity using the 'Brightness' buttons.
4. **Heat Settings:** Select between 750W (Low) and 1500W (High) heat output using the respective buttons.
5. **Timer:** Set the operational timer for automatic shut-off.

Manual Control

The control panel on the fireplace insert provides access to the same functions as the remote control. Refer to the icons on the panel for specific functions.

Maintenance

To ensure the longevity and appearance of your electric fireplace, follow these maintenance tips:

- **Cleaning Mirrored Surfaces:** Use a soft, lint-free cloth and a glass cleaner to wipe mirrored surfaces. Avoid abrasive cleaners that may scratch the finish.
- **Dusting:** Regularly dust the unit with a soft cloth to prevent buildup.
- **Ventilation:** Ensure the air vents are clear of obstructions to maintain proper airflow for the heater.
- **Power Cord:** Periodically inspect the power cord for any damage. If damaged, discontinue use and contact customer support.

Troubleshooting

If you encounter issues with your electric fireplace, refer to the following common solutions:

- **Unit Not Turning On:**
  - Check if the power cord is securely plugged into a grounded outlet.
  - Verify that the wall outlet is functional by plugging in another appliance.
  - Ensure the main power switch on the unit (if present) is in the 'On' position.
- **No Heat Output:**
  - Confirm that the heat function is activated via remote or control panel.
  - Check if the thermostat setting is higher than the ambient room temperature.
  - Ensure air vents are not blocked.
- **Flame Effect Not Working:**
  - Verify the flame effect is turned on.
  - Adjust flame brightness settings.
- **Remote Control Not Responding:**
  - Replace the batteries in the remote control.
  - Ensure there are no obstructions between the remote and the unit's sensor.

If problems persist after attempting these solutions, please contact IKIFLY customer support.
