## HUAWEI BAH4-L09

# HUAWEI MatePad 10.4 inch Tablet User Manual

Model: BAH4-L09

## INTRODUCTION

This manual provides essential information for setting up, operating, maintaining, and troubleshooting your HUAWEI MatePad 10.4 inch tablet. Please read this manual thoroughly to ensure proper use and to maximize the device's capabilities.

The HUAWEI MatePad 10.4 inch tablet features a 2K FullView display, a 7250 mAh battery, and quad speakers with enhanced audio. It is designed for a smooth user experience, supporting multi-screen collaboration and M-Pencil functionality. The device is lightweight at 450 grams and has a slim profile of 7.35 mm. The display includes TÜV Rheinland Dual Certification for eye care.

## SETUP

---

### 1. Initial Power On

Press and hold the power button located on the side of the tablet until the HUAWEI logo appears. Follow the on-screen instructions to complete the initial setup, including language selection, Wi-Fi connection, and account setup.

### 2. Charging the Device

Connect the provided charger to the USB-C port on the tablet. The 7250 mAh battery supports 22.5W fast charging, allowing it to reach 30% charge in approximately 30 minutes and a full charge in about 2.5 hours.

### 3. Connecting Accessories

#### HUAWEI M-Pencil

To pair the HUAWEI M-Pencil, gently attach it to the designated magnetic charging area on the side of the tablet. Bluetooth pairing will initiate automatically. The M-Pencil features an all-new transparent tip, a 360-degree concealed touch key, and an anti-fingerprint finish.

#### Smart Keyboard

To connect the Smart Keyboard, align the tablet with the magnetic connectors on the keyboard case. The keyboard provides sensitive tactile feedback for comfortable typing.

## OPERATING INSTRUCTIONS

### Display Features

The 10.4-inch 2K HD FullView display offers a resolution of 2000 x 1200 pixels, an 84% screen-to-body ratio, and a 1300:1 contrast ratio for rich detail in both dark and bright areas. The display is TÜV Rheinland Dual Certified for reduced blue light and flicker, promoting eye comfort.

### Audio Experience

The tablet is equipped with four large-amplitude speakers, delivering clear and loud audio. Enhanced low-frequency sound effects and the Histen 7.0 audio algorithm provide an immersive listening experience. Professional Harman Kardon audio tuning highlights rich and vibrant sound details. Audio settings can be precisely adjusted for various scenarios such as education, movies, music, and games.

### M-Pencil Functionality

The HUAWEI M-Pencil enhances productivity and creativity:

- **Snippet Feature:** Easily capture any content on the screen.
- **Annotation Feature:** Apply explanatory annotations across various applications.

- **FreeScript:** Instantly convert handwritten notes to text.
- **WPS Annotations:** Write handwritten annotations directly in WPS documents for improved interaction.
- **Double-Tap Switch:** Quickly switch between M-Pencil functions with a double-tap.
- **Pressure Sensitivity:** Enjoy precise pressure sensitivity for detailed drawing and writing.

## Multi-Screen Collaboration

The tablet supports seamless collaboration with your HUAWEI smartphone and laptop, allowing for easy file transfer, screen mirroring, and extended workspace capabilities.

- **Phone Collaboration:** Share files and interact between your phone and tablet.
- **Laptop Collaboration:** Extend your laptop's display to the tablet or use the tablet as a drawing pad.

## MAINTENANCE

---

### Battery Care

To prolong the life of your tablet's 7250 mAh battery, avoid exposing the device to extreme temperatures. Charge the tablet using only the original charger or a certified compatible charger. It is recommended to keep the battery charge between 20% and 80% for optimal longevity.

### Screen Cleaning

Use a soft, lint-free cloth to clean the screen. For stubborn smudges, slightly dampen the cloth with water or a screen-specific cleaning solution. Avoid using harsh chemicals or abrasive materials.

### Software Updates

Regularly check for and install software updates to ensure your tablet has the latest features, security patches, and performance improvements. You can usually find this option in the device settings under 'System & updates'.

## TROUBLESHOOTING

---

### Common Issues and Solutions

- **Device Not Responding:** If the tablet becomes unresponsive, press and hold the power button for about 10 seconds to force a restart.
- **Wi-Fi Connectivity Issues:** Ensure Wi-Fi is enabled and you are within range of a known network. Try restarting your router and the tablet.
- **No Google Services:** The HUAWEI MatePad operates on HMS (Huawei Mobile Services) and does not natively support Google Mobile Services. Some users have found success installing third-party applications or 'dual space' apps to access certain Google-dependent functionalities. However, official support for Google services is not available.
- **Battery Draining Quickly:** Check background app usage and screen brightness settings. Ensure no apps are consuming excessive power. If the issue persists, a factory reset might be considered after backing up your data.

## SPECIFICATIONS

Feature	Detail
Brand	HUAWEI
Model Number	BAH4-L09
Series	MatePad 10.4 inch 2022
Color	Grey
Product Dimensions	24.52 x 15.5 x 0.73 cm
Item Weight	830 grams
Screen Size	10.4 inches
Screen Resolution	2000 x 1200 pixels
Operating System	HMS (Huawei Mobile Services)
Processor Brand	HiSilicon
Processor Speed	2.3 GHz
RAM Size	4 GB
Storage Capacity	64 GB
Graphics Coprocessor	ARM Cortex A55
Graphics Card Description	Integrated
Connectivity Type	Bluetooth, Cellular
Wireless Type	802.11b
Front Webcam Resolution	5 MP
Battery Type	1 Lithium Polymer (included)
Battery Energy Content	7250 mAh
Average Battery Life	12.5 hours
Speaker Description	Four large-amplitude speakers with Harman Kardon audio tuning and Histen 7.0 sound effect algorithm.
