

Precision Pro S1

Precision Pro Ace Smart GPS Golf Speaker User Manual

Model: S1

1. INTRODUCTION

This manual provides detailed instructions for the Precision Pro Ace Smart GPS Golf Speaker, Model S1. This device combines a high-quality Bluetooth speaker with advanced GPS golf features, including audible distances, personalized yardages, and a magnetic cart mount. Please read this manual thoroughly to ensure proper use and maintenance of your device.

What's in the Box

- Precision Pro Ace Smart GPS Golf Speaker (S1 Unit)
- Detachable Remote
- USB-C Charging Cable
- Soft Carry Bag
- Product Manual

2. SETUP

2.1 Initial Charging

Before first use, fully charge the Ace Smart GPS Golf Speaker using the provided USB-C cable. Connect the cable to the charging port on the device and a compatible USB power source.

2.2 App Download and Pairing

1. Download the **Precision Pro Golf** app from your device's app store.
2. Open the app and follow the on-screen instructions to create an account or log in.
3. Turn on your Ace Smart GPS Golf Speaker.
4. Within the app, navigate to the device pairing section and select your Ace speaker to establish a Bluetooth connection.
5. Ensure your phone's Bluetooth is enabled and the speaker is within range.

The app is pre-loaded with over 37,000 courses. You can search for your specific course within the app. If your course is not listed, you can request its addition through the app, which typically takes 2-3 weeks.

3. OPERATING INSTRUCTIONS

3.1 Basic Functions

- **Power On/Off:** Press and hold the power button located on the side of the speaker.
- **Volume Control:** Use the '+' and '-' buttons on the side to adjust the speaker volume.
- **Play/Pause:** Use the dedicated play/pause button for music playback control.

3.2 GPS Features

The Ace Smart GPS Golf Speaker provides accurate distances to enhance your game. Ensure your device is paired with the Precision Pro Golf app and GPS is active.

- **LCD Display:** The integrated LCD shows Front, Middle, and Back distances to the green. It also displays slope and wind assist data.
- **Audible Distances:** A single click of the large button on the detachable remote will announce Front, Center, and Back distances.
- **Hole Adjustment:** Use the left and right arrow buttons on the speaker to navigate between holes if the device is displaying an incorrect hole.
- **MySlope™ Technology:** Provides personalized yardage numbers customized to your game, taking into account your ball data.
- **Personal Layups:** Double-click the large button on the detachable remote to create and receive distances for your own layups on any hole.

3.3 Music Playback

Connect your smartphone via Bluetooth to stream music through the Ace speaker. The speaker offers premium audio quality for an enjoyable experience on the course.

3.4 Golf Shot Celebrations

The small button on the detachable remote can be single or double-clicked to activate one of the many programmable golf shot celebration sounds.

GOLF SHOT CELEBRATIONS

3.5 Magnetic Cart Mount

The Ace speaker features a strong magnetic grip, allowing it to be securely mounted to a golf cart frame or any metallic surface.

Figure 6: Speaker mounted on a golf cart.

3.6 Find My Precision Pro

Utilize the 'Find My Precision Pro' feature through the app to locate your speaker if it is misplaced on the course.

4. MAINTENANCE

4.1 Battery Life

The Ace Smart GPS Golf Speaker provides 18-24 hours of battery life on a single full charge. Actual battery duration may vary based on volume level and frequency of audio caddie requests.

4.2 Water Resistance

The device is water-resistant, meaning it can withstand light to moderate rain. It is not waterproof; do not submerge the speaker in water.

5. TROUBLESHOOTING

- **Ace Disconnected and Won't Reconnect:** Unpair the Ace and disconnect it in your phone's Bluetooth settings. Then, restart the connection process from the beginning within the Precision Pro Golf app.
- **Incorrect Yardage:** Check if 'SLOPE' is turned on in the Precision Pro Golf app, as this adjusts distances. If the Ace is providing distances for the wrong hole, use the directional arrows on the device to navigate to the correct hole.
- **Phone Disconnection Distance:** The Ace Smart GPS Golf Speaker should maintain a strong connection within 25 to 50 yards of your phone, depending on environmental factors and obstacles.
- **Course Not Included:** Download the Precision Pro Golf app and search for your course. If it's not available, you can request its addition through the app. Please allow 2-3 weeks for new courses to be added.

6. SPECIFICATIONS
