1. SETUP GUIDE

Your WLIVE Nightstand is designed for quick and easy assembly. All necessary tools and instructions are included in the package. Please follow the steps carefully to ensure proper setup.

1.1 Package Contents

Before you begin, verify that all parts listed in the instruction manual are present. Each component and screw type is clearly labeled for your convenience.

1.2 Assembly Steps

- Step 1: Assemble Frame and Tabletop.** Begin by connecting the main frame components as indicated in the manual. Ensure the holes indicated by fingers on the steel frame face the same direction.
- Step 2: Assemble Stabilizer Bars and Adjustable Feet.** Attach the stabilizer bars to the frame. Then, screw in the four adjustable plastic feet at the bottom of the frame. These feet help protect your floor from scratches and allow for minor leveling adjustments.
- Step 3: Assemble Drawers.** For each fabric drawer, insert the bottom panel to create a sturdy box. Attach the handles to the front of the fabric drawers using the provided screws.
- Step 4: Insert Drawers.** Once the frame is assembled and the drawers are ready, simply slide the fabric drawers into their designated slots within the steel frame.

The entire assembly process typically takes about 15 minutes.

3. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your WLIVE Nightstand.

3.1 Cleaning Instructions

- **Wood Top:** The wooden top is water-resistant and features a protective coating. For general cleaning, simply wipe with a dry cloth. For spills, wipe immediately with a damp cloth and then dry thoroughly. Avoid abrasive cleaners.

- **Fabric Drawers:** The non-woven fabric drawers can be spot cleaned with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash or tumble dry.
- **Steel Frame:** Wipe the steel frame with a dry or slightly damp cloth. Avoid harsh chemicals that may damage the finish.

3.2 General Care Tips

- **Weight Distribution:** Do not place excessively heavy objects on the tabletop or inside the drawers to prevent damage or tipping. The maximum weight recommendation for the top is 55 pounds.
- **Leveling:** Periodically check the adjustable feet to ensure the nightstand remains level and stable, especially if it is frequently moved.
- **Environment:** Keep the nightstand away from direct heat sources and prolonged exposure to direct sunlight to prevent material degradation.

4. TROUBLESHOOTING

If you encounter any issues with your WLIVE Nightstand, please refer to the common problems and solutions below.

4.1 Common Issues and Solutions

Problem	Possible Cause	Solution
Nightstand is wobbly/unstable.	Uneven floor; loose screws; incorrect assembly.	Adjust the plastic feet to level the unit. Tighten all screws. Review assembly instructions to ensure all parts are correctly installed.
Drawers do not slide smoothly.	Drawer is overloaded; fabric is misaligned; frame is not square.	Reduce the weight in the drawer. Ensure the fabric drawer is properly seated and not catching on the frame. Check frame assembly for squareness.
Missing parts upon arrival.	Packaging error.	Contact WLIVE customer support immediately with your purchase details.

If your issue is not resolved or if you require further assistance, please contact WLIVE customer support.
