## vinamass A63

# vinamass A63 Wired Kids Headphones User Manual

Model: A63 | Brand: vinamass

## INTRODUCTION

This manual provides essential instructions for the safe and effective use of your vinamass A63 Wired Kids Headphones. Please read this manual thoroughly before using the product and retain it for future reference. These headphones are designed with a built-in volume limiter to protect children's hearing.

## PRODUCT OVERVIEW

### Key Features:

- **Safe Volume Limiter:** Built-in fixed sound volume limitation set to 85dB to prevent hearing damage, adhering to WHO recommended limits.
- **Comfortable Design:** Features soft silicone and donut macaron design, flexible PP outer-layer, and cozy foam sponge ear cushions with premium PU leather earpads for extended comfortable wear.
- **Adjustable Headband:** The headband can be adjusted up to 3cm for a perfect fit on various head sizes.
- **Durable Construction:** Made from carbon fiber plastic, the headband is flexible and bendable, designed to resist breakage.
- **Excellent Sound Quality:** Equipped with HD 40mm drivers to deliver clear, balanced audio for an engaging listening experience.
- **Universal Compatibility:** Standard 3.5mm jack ensures compatibility with a wide range of devices including smartphones, Chromebooks, Kindle Fire, Switch, iPads, and tablets.

### Package Contents:

- 1 x vinamass A63 Wired Kids Headphones (Purple)
- 1 x Integrated 3.5mm Audio Cable

## SETUP

---

1. **Unpack:** Carefully remove the headphones from their packaging.
2. **Inspect:** Check the headphones and cable for any signs of damage.
3. **Connect:** Insert the 3.5mm audio jack firmly into the audio port of your device (e.g., smartphone, tablet, laptop). Ensure the connection is secure.

## OPERATING INSTRUCTIONS

---

### Wearing the Headphones:

- Gently place the earcups over your ears, ensuring they cover your ears completely for optimal sound and comfort.
- Adjust the headband by sliding the earcups up or down until the headphones fit comfortably and securely on your

head. The headband is designed to be flexible for a proper fit.

**Soft Touch Ear-pads**

**Adjustable Head**

**Ultra-Comfortable Wear**

**Made of safe & Comfortable & Durable Material**

#### **Volume Control:**

- The headphones feature a built-in 85dB volume limiter. This means the maximum volume output will not exceed 85dB, regardless of the connected device's volume setting.
- Adjust the volume using the controls on your connected device (e.g., smartphone, tablet). The headphones will ensure the sound remains within safe listening levels.

#### **Audio Playback:**

- Once connected, play audio from your device. The headphones will deliver clear, balanced stereo sound.

# Premium Stereo Sound

Crafted with HD 40mm driver to deliver clear, balanced sound.

## MAINTENANCE AND CARE

---

- **Cleaning:** Use a soft, dry cloth to clean the earcups and headband. Do not use liquid cleaners or abrasive materials.
- **Storage:** When not in use, store the headphones in a clean, dry place away from extreme temperatures and direct sunlight.
- **Cable Care:** Avoid sharply bending or twisting the audio cable to prevent internal damage. The cable is designed to be tangle-free.
- **Water Exposure:** These headphones are not water-resistant. Avoid exposure to water or excessive moisture.

## TROUBLESHOOTING

---

Problem	Solution
No sound or low volume	Ensure the 3.5mm audio jack is fully inserted into the device's audio port. Check the volume level on your connected device and increase it if necessary. Test the headphones with another device to rule out a device-specific issue.
Sound distortion	Lower the volume on your connected device. Ensure the audio source is not corrupted or of low quality. Try connecting to a different audio source.
Headphones do not fit comfortably	Adjust the headband by sliding the earcups up or down until a comfortable fit is achieved.
