Smoby Green Magic Tower 6 Tumblers Instruction Manual

Model: 7/181201WEB

1. PRODUCT OVERVIEW

The Smoby Green Magic Tower is a set of 6 stacking tumblers designed to assist in the development of motor skills and shape recognition for children aged 12 months and above. This product is made from 90% plant-based plastic derived from sugar cane, is 100% recyclable, and comes in 100% recycled cardboard packaging. When fully stacked, the tower reaches a height of 40 cm (approximately 15.75 inches).

Key Features:

- **6 Stacking Tumblers:** Various sized cups for stacking and nesting.
- **Motor Skill Development:** Encourages hand-eye coordination and fine motor skills.
- **Shape Recognition:** Features engraved icons on each tumbler to aid in learning shapes.
- **Eco-Friendly Material:** Made from 90% plant-based plastic (sugar cane).
- **Recyclable:** Product is 100% recyclable, and packaging is 100% recycled cardboard.
- **Age Recommendation:** Suitable for children 12 months and up.

2. SETUP

2.1 Unboxing and Content Verification

Carefully remove the Smoby Green Magic Tower from its packaging. Ensure all components are present and undamaged. The box should contain:

- 1 Tower of 6 Cups

Image 2.1: All six tumblers laid out, showing their individual colors and sizes.

Inspect each tumbler for any signs of damage or manufacturing defects before allowing a child to play with the toy. If any parts are missing or damaged, contact the retailer or manufacturer for assistance.

3. OPERATING INSTRUCTIONS

The Smoby Green Magic Tower is designed for intuitive play, encouraging children to explore and learn through interaction.

3.1 Stacking the Tumblers

To build the tower, place the largest tumbler on a flat, stable surface. Then, progressively place the next largest tumbler on top of the previous one. Continue this process until all six tumblers are stacked, forming a tall tower. Children can experiment with different stacking orders to understand size relationships.

Image 3.1: A child engaging with the stacked tumblers in an outdoor setting.

3.2 Nesting the Tumblers

To nest the tumblers, place the smallest tumbler inside the next largest one. Continue this process until all tumblers are nested within each other, forming a compact unit. This activity helps children understand spatial relationships and order.

Image 3.2: The tumblers nested together for compact storage or play.

3.3 Educational Play

Encourage children to identify the different colors of the tumblers and the unique engraved icons on each cup. These icons aid in shape recognition and provide tactile stimulation. The tumblers are suitable for various play environments, including indoor play, bath time, or sand play.

4. MAINTENANCE

4.1 Cleaning

To clean the Smoby Green Magic Tower tumblers, wipe them with a damp cloth using mild soap and water. Rinse thoroughly and allow to air dry completely before storage or next use. Do not use abrasive cleaners or harsh chemicals, as these may damage the material.

4.2 Storage

When not in use, nest the tumblers together to save space. Store the toy in a clean, dry place away from direct sunlight and extreme temperatures to preserve its material integrity and colors.

5. TROUBLESHOOTING

5.1 Missing or Damaged Parts

If any tumblers are missing from the packaging or appear damaged upon arrival, do not use the product. Contact the retailer or Smoby customer support for a replacement or assistance.

5.2 Difficulty Stacking

If a child is having difficulty stacking the tumblers, demonstrate the correct order from largest at the bottom to smallest at the top. Encourage experimentation, as there is no single "correct" way to play, but guiding them can help develop their understanding of size and balance.

6. SPECIFICATIONS

Feature	Detail
Product Name	Smoby Green Magic Tower 6 Tumblers
Model Number	7/181201WEB
ASIN	B09SL6DG4G
Product Dimensions (Stacked)	3.74 x 3.74 x 15.75 inches (9.5 x 9.5 x 40 cm)
