Disguise Ghostbusters Costume for Kids Instruction Manual

Official Ghostbusters Classic Jumpsuit with Proton Pack Accessory

INTRODUCTION

This instruction manual provides essential information for the assembly, use, and maintenance of your Disguise Ghostbusters Costume. This officially licensed costume allows children to embody a Ghostbuster with a classic jumpsuit and an inflatable proton pack accessory. Please read this manual thoroughly before use to ensure proper handling and to maximize the lifespan of the product.

SETUP AND ASSEMBLY

Follow these steps to prepare the costume for wear:

1. **Unpack the Costume:** Carefully remove all components from the packaging.
2. **Prepare the Jumpsuit:** Unfasten any zippers or closures on the jumpsuit to make it easier to put on.
3. **Don the Jumpsuit:** Assist the child in putting on the full-length boiler jumpsuit. Ensure a comfortable fit.
4. **Inflate Accessories:**
 - Locate the inflation valves on the inflatable proton pack and the inflatable wand.
 - Inflate both accessories by blowing air into the valves until they are firm but not overinflated.
 - Securely close the inflation stoppers to prevent air leakage.
5. **Attach Accessories:** Position the inflated proton pack on the child's back, using any integrated straps or loops to

secure it. The inflatable wand can be held by hand.

6. **Final Adjustments:** Ensure all parts of the costume are comfortably worn and properly positioned.

OPERATING THE COSTUME

This costume is designed for imaginative play and dress-up. The inflatable proton pack and wand are visual accessories that enhance the role-playing experience.

- **Role-Playing:** Encourage children to engage in imaginative play, pretending to be a Ghostbuster. The inflatable wand can be used to simulate "proton streams" during play.
- **Movement:** The jumpsuit is designed for comfort and ease of movement. Ensure the inflatable accessories do not restrict movement or vision.

CARE AND MAINTENANCE

Proper care will help maintain the quality and longevity of your costume:

- **Washing Instructions:**

- Handwash the jumpsuit separately.
- Reshape the jumpsuit whilst damp.
- Line dry the jumpsuit.
- Do not bleach.
- Do not iron.

- **Inflatable Accessories Care:**

- Deflate the proton pack and wand after use for compact storage.
- Wipe clean with a damp cloth if necessary.
- Ensure they are completely dry before storing to prevent mildew.
- Store away from sharp objects to prevent punctures.

- **Storage:** Store the costume in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

If you encounter any issues with your costume, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Inflatable Proton Pack/Wand does not stay inflated.	Inflation stopper is not securely closed, or there is a small puncture/leak.	Ensure the inflation stopper is fully inserted and sealed. Check for any small holes or tears. If a small leak is found, a patch kit (not included) may be used for repair.
Costume fit is too large or too small.	Incorrect size selected.	Refer to the size guide provided at the time of purchase. For minor size discrepancies, sleeves or pant legs can be rolled up.
