CARE AND MAINTENANCE

To ensure the longevity of your building set, follow these simple care guidelines:

- **Cleaning:** Wipe the pieces with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the building pieces and assembled figure in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Handling:** Handle the assembled figure with care to avoid accidental disassembly.

TROUBLESHOOTING

If you encounter any issues during assembly or play, consider the following:

- Missing Pieces:** Double-check the packaging and surrounding area for any small pieces that may have been overlooked. If pieces are genuinely missing, contact customer support.
- Difficulty Assembling:** Refer to the visual instructions carefully. Ensure pieces are oriented correctly and apply gentle, firm pressure to snap them into place. Do not force pieces together.
- Figure Not Stable:** Verify that all connections are secure. Reassemble any loose sections to ensure the figure maintains its pose.
