## KEY FEATURES

---

- **Up to 3-Day Battery Life:** Equipped with a 5000 mAh battery for extended usage.
- **50 MP Camera System:** Capture high-resolution photos with the main camera and utilize Dual Capture for creative shots.
- **6.5" HD+ Display with 90 Hz Refresh Rate:** Enjoy smooth visuals on a large, fluid screen.
- **Octa-core Performance:** Powered by a MediaTek Helio processor with HyperEngine technology for efficient operation.
- **Water-Repellent Design:** Provides protection against accidental spills and splashes.

- **Fingerprint Reader and Face Recognition:** Securely unlock your device using biometric authentication.

## OPERATING YOUR DEVICE

---

### Unlocking the Phone

The Moto G Power (2022) offers multiple ways to unlock your device:

- **Fingerprint Reader:** The fingerprint sensor is integrated into the Motorola logo on the back of the phone. Simply touch your registered finger to the sensor to unlock.
- **Face Recognition:** Set up face unlock in the security settings. Look at the front camera to unlock your device.
- **PIN/Pattern/Password:** Use your chosen PIN, pattern, or password on the lock screen.

## MAINTENANCE

---

The Motorola Moto G Power (2022) features a water-repellent design. While it offers protection against spills and splashes, it is not fully waterproof. Avoid submerging the device in water. Clean the screen and body with a soft, dry cloth. Keep ports free of dust and debris.

## TROUBLESHOOTING

---

If you encounter issues with your device, consider the following general troubleshooting steps:

- **Restart Device:** A simple restart can often resolve minor software glitches.
- **Check for Updates:** Ensure your device's software is up to date by checking in Settings > System > System updates.
- **Clear Cache:** If an app is misbehaving, try clearing its cache in Settings > Apps & notifications > [App Name] > Storage & cache.
- **Factory Reset:** As a last resort, you may perform a factory reset (Settings > System > Reset options). **Warning: This will erase all data on your device. Back up important information first.**

## SPECIFICATIONS

---

Feature	Detail
---------	--------
