VINNOVA Spezia 60" x 78" Frameless Sliding Shower Enclosure Instruction Manual

Model: 312060+36P-BG

INTRODUCTION

This instruction manual provides detailed guidance for the safe and correct installation, operation, and maintenance of your VINNOVA Spezia Frameless Sliding Shower Enclosure. Please read all instructions carefully before beginning installation and retain this manual for future reference.

The VINNOVA Spezia shower enclosure features a 60" W x 78" H rectangle single sliding frameless design with brushed gold hardware, offering a modern aesthetic and reliable functionality.

SAFETY INFORMATION

- Always wear appropriate personal protective equipment (PPE) during installation, including safety glasses and gloves.
- Handle glass panels with extreme care. Tempered glass, while strong, can shatter if struck at the edges or corners.
- Ensure the installation surface is structurally sound and capable of supporting the weight of the enclosure.
- Do not overtighten screws, as this can damage components or glass.
- If you are unsure about any part of the installation process, consult a qualified professional.

PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation. If any parts are missing or damaged, contact VINNOVA customer support.

- Glass Panels (Sliding Door, Fixed Side Panel)
- Sliding Door Hardware (Rollers, Support Bar, Drum-like Door Stopper, Guide Block)
- Wall Brackets and Mounting Hardware
- Door Handle (Ladder Style)
- Door Knob
- Door Seals and Bottom Aluminum Threshold

- Brushed Gold Finish Components

SETUP AND INSTALLATION

This section outlines the general steps for installing the VINNOVA Spezia shower enclosure. Specific details may vary; refer to the included detailed installation guide for precise measurements and instructions.

1. **Prepare the Installation Area:** Ensure the shower base or curb is level and clean. Mark the desired position for the fixed panel and sliding door.
2. **Install Wall Brackets:** Secure the stainless steel wall brackets to the wall, ensuring they are level and properly anchored. These brackets reinforce the side panel stability.

3. **Mount the Fixed Side Panel:** Carefully position and secure the fixed glass panel into the wall brackets and bottom support.
4. **Install the Structural Rail:** Attach the structural rail and wall mount brackets to the wall, ensuring proper alignment and secure anchoring. This rail supports the sliding door mechanism.

6. **Hang the Sliding Door:** Carefully hang the sliding door onto the structural rail, ensuring the rollers engage correctly.
7. **Install Door Stopper and Bumper Strip:** Position the drum-shaped door stopper and A-shaped bumper strip to prevent the glass from contacting other surfaces.
8. **Attach Door Handle and Knob:** Install the ladder-style handle and door knob onto the sliding door.

9. **Apply Seals and Threshold:** Install the bulb-shaped door seals and the bottom aluminum threshold to ensure water containment.
10. **Seal with Silicone:** Apply a high-quality silicone sealant to all exterior joints where glass meets walls and the shower base to prevent leaks. Allow adequate curing time before use.

The enclosure features a reversible door design, allowing for left or right installation to suit your bathroom layout.

OPERATING INSTRUCTIONS

The VINNOVA Spezia shower enclosure is designed for simple and smooth operation.

- To open the sliding door, grasp the ladder-style handle and gently slide the door along the top rail.
- To close the door, slide it back until it meets the fixed panel and the door stopper.
- The stainless steel rollers ensure consistently smooth opening and closing with minimal effort.

MAINTENANCE AND CARE

Regular cleaning and proper maintenance will ensure the longevity and appearance of your shower enclosure.

- **Glass Cleaning:** The 10mm clear glass features an easy-clean coating. Use a soft cloth or sponge with a mild, non-abrasive glass cleaner. Avoid harsh chemicals, abrasive pads, or scouring powders, as these can damage the coating and glass surface. Wipe dry after each use to prevent water spots and mineral buildup.
- **Hardware Cleaning:** Clean the brushed gold stainless steel components (wheels, support bar, door stopper, wall bracket, handle, guide block, braces) with a soft, damp cloth and mild soap. Do not use abrasive cleaners, ammonia-based products, or harsh chemicals, as these can damage the finish.
- **Seals:** Periodically inspect door seals for wear and tear. Replace if damaged to maintain water tightness.
- **Rollers:** Keep the sliding door rollers clean and free of debris to ensure smooth operation. A small amount of silicone lubricant can be applied to the track if movement becomes stiff.
- **Corrosion Resistance:** The stainless steel components are designed to resist rust and corrosion, but proper cleaning helps maintain their integrity.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Door does not slide smoothly.	Debris in track, rollers dirty, rollers misaligned.	Clean the track and rollers. Check roller alignment and adjust if necessary. Apply silicone lubricant to the track.
Water leaks from enclosure.	Improperly sealed joints, damaged door seals, incorrect threshold installation.	Inspect silicone sealant and reapply if needed. Check and replace damaged door seals. Ensure the bottom threshold is correctly installed and sealed.
Door does not close completely.	Door stopper misadjusted, obstruction in track.	Adjust the drum-shaped door stopper. Remove any obstructions from the track.
Glass appears cloudy or stained.	Mineral buildup from hard water, improper cleaning agents.	Use a specialized glass cleaner for hard water stains. Avoid abrasive cleaners. Wipe glass dry after each use.

SPECIFICATIONS

- **Brand:** VINNOVA
- **Model:** 312060+36P-BG
- **Dimensions:** 60 inches (W) x 36 inches (D) x 78 inches (H)
- **Glass Thickness:** 10mm (3/8 inch) clear tempered glass
- **Glass Coating:** Easy-clean coating
- **Hardware Finish:** Brushed Gold
- **Hardware Material:** Stainless Steel (wheels, support bar, drum-like door stopper, wall bracket, handle, guide block, braces)
- **Installation Type:** Screw-In
- **Item Weight:** Approximately 289 pounds

- **Assembly Required:** No (refers to pre-assembled major components, but installation is required)
- **Door Style:** Single Sliding, Frameless
- **Reversible Door:** Yes, for left or right installation
- **Included Components:** Shower Door, mounting bracket, and hardware

WARRANTY INFORMATION

This VINNOVA product is covered by a **5-year manufacturer's warranty**. This warranty covers defects in materials and workmanship under normal use and service. For specific terms, conditions, and to make a warranty claim, please refer to the warranty documentation included with your purchase or contact VINNOVA customer support.

CUSTOMER SUPPORT

For assistance with installation, troubleshooting, or warranty claims, please contact VINNOVA customer support.
