Enesco 6010855

Enesco FAO Schwarz by Jim Shore Jack-in-the-Box Teddy Bear Figurine

MODEL: 6010855

Introduction

This document provides essential information for the proper handling, display, and care of your Enesco FAO Schwarz by Jim Shore Jack-in-the-Box Teddy Bear Figurine. This collectible item is designed for decorative purposes and is not intended as a toy.

The figurine features a teddy bear emerging from a box, adorned in a soldier uniform with intricate Jim Shore rosemaling patterns. Each piece is hand-painted and crafted from high-quality stone resin, reflecting traditional themes and design motifs.

Product Overview

Image 1: Front view of the figurine, showcasing the teddy bear in a red soldier uniform with gold accents, emerging from a patterned box. The box features 'F', 'A', 'O' letters and various geometric designs.

Image 2: Close-up view of the teddy bear's face and upper body, highlighting the details of its black hat with holly, and the intricate rosemaling on its red uniform.

The figurine depicts a teddy bear wearing a stately soldier uniform and a holly-brimmed hat, positioned as if popping out of a box. The coat is patterned with classic Jim Shore rosemaling and gold outlines. The box itself is decorated with a decadent pattern, including the letters 'F', 'A', 'O', and various geometric and festive motifs.

Image 3: Rear view of the figurine, showing the back of the teddy bear and the hinged lid of the box. The back of the box features a red and black checkered pattern.

Image 4: Image illustrating the approximate dimensions of the figurine: 5 inches in height, 3 inches in width, and 2.75

inches in depth.

Setup

- Unpacking:** Carefully remove the figurine from its packaging. Retain the original packaging for future storage or transport, if desired.
- Placement:** Select a stable, flat surface for display. Ensure the location is away from direct sunlight, extreme temperatures, and high humidity to preserve the figurine's colors and material integrity. Avoid placing it in areas where it could be easily knocked over.

Handling and Display

- Always handle the figurine by its base to prevent damage to delicate parts.
- Avoid dropping or subjecting the figurine to impacts, as it is made of stone resin and can chip or break.
- Do not expose the figurine to harsh chemicals or abrasive materials.
- This item is for decorative display only and is not intended for play.

Maintenance

- Cleaning:** Dust the figurine regularly with a soft, dry cloth or a soft-bristled brush. For more stubborn dirt, lightly dampen a soft cloth with water and gently wipe the surface. Avoid using cleaning sprays or abrasive cleaners.
- Storage:** If storing the figurine, use its original packaging or wrap it in soft, protective material to prevent scratches and breakage. Store in a cool, dry place.

Troubleshooting

As a decorative figurine, operational troubleshooting is generally not applicable. However, common concerns may include:

- Dust Accumulation:** Refer to the 'Maintenance' section for cleaning instructions.
- Accidental Damage (Chips/Breaks):** Due to the material, significant impacts can cause damage. Minor chips may be repairable with appropriate adhesive designed for resin or ceramic, but professional restoration is recommended for significant damage.
- Fading Colors:** Ensure the figurine is not exposed to prolonged direct sunlight, which can cause colors to fade over time.
