Setup and Assembly

For detailed step-by-step assembly instructions, please refer to the official Installation Manual PDF. It is highly recommended to follow the instructions precisely to ensure proper and safe assembly of your gaming chair.

Important: Ensure all components are present and undamaged before beginning assembly. Assembly typically takes about 15-30 minutes.

- Unpack all components and lay them out on a clean, flat surface.
- Assemble the chair base by attaching the spokes to the hub and inserting the casters.
- Attach the seat bracket to the seat cushion.
- Secure the backrest to the seat assembly.
- Install the armrests.
- Place the assembled chair onto the gas lift cylinder.
- Attach the headrest pillow and lumbar support pillow (if separate).

Operating Instructions

Your RESPAWN 110 Pro Gaming Chair offers multiple adjustment options for personalized comfort.

- **Recline Function:** Use the lever on the right side of the chair to recline the backrest. The chair supports a recline angle from 90 to 155 degrees with an infinite angle lock, allowing you to find your perfect position for gaming or relaxation.
- **Extendable Footrest:** Pull the footrest from beneath the seat to extend it. Push it back in to retract. This feature provides additional comfort for lounging.
- **Seat Height Adjustment:** Use the lever on the left side of the chair to adjust the seat height pneumatically. Ensure your feet are flat on the floor or a footrest for optimal ergonomic posture.
- **Adjustable Headrest Pillow:** The headrest pillow can be adjusted vertically to provide optimal neck and head support.
- **Pivoting Padded Arm Design:** The armrests are designed to pivot, offering flexibility and comfort during use.

Maintenance

Proper maintenance will extend the life and appearance of your RESPAWN 110 Pro Gaming Chair.

- **Cleaning:** Wipe clean with a damp cloth. For tougher stains, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Regular Inspection:** Periodically check all screws and bolts to ensure they are tight. Loose connections can affect stability and durability.
- **Material Care:** The chair is made of PVC. Avoid prolonged exposure to direct sunlight or extreme temperatures, which can cause the material to degrade.

Troubleshooting

If you encounter any issues with your RESPAWN 110 Pro Gaming Chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair feels unstable or wobbly.	Loose assembly screws or bolts.	Ensure all screws and bolts are securely tightened. Refer to the assembly manual.
Squeaking noise during movement.	Friction between moving parts or loose connections.	Apply a small amount of silicone lubricant to moving parts (e.g., gas lift, recline mechanism). Check and tighten all connections.

Problem	Possible Cause	Solution
Footrest does not extend or retract smoothly.	Obstruction or mechanism needs lubrication.	Check for any obstructions. Clean the tracks and apply a silicone-based lubricant if necessary.
Chair does not hold height adjustment.	Gas lift cylinder malfunction.	Contact customer support for assistance. The gas lift may need replacement.

Safety Note: The maximum weight capacity for this chair is 275 pounds. Exceeding this limit may compromise the chair's stability and safety.
