4. Care and Preservation

To maintain the condition and value of your Ariados TG09/TG30 card, follow these guidelines:

- **Handling:** Always handle the card by its edges to avoid transferring oils or dirt from your fingers to the card surface.
- **Protection:** Immediately place the card in a soft sleeve (penny sleeve) and then into a more rigid top-

loader or binder page for added protection against bends, scratches, and dust.

- **Environment:** Keep the card away from direct sunlight, extreme temperatures, and high humidity, which can cause fading, warping, or moisture damage.
- **Cleaning:** Avoid using any cleaning agents on the card. If dust is present, gently brush it off with a soft, dry, lint-free cloth.

5. Storage Recommendations

Proper storage is essential for long-term preservation of collectible cards.

- **Binders:** Store sleeved cards in acid-free, PVC-free binder pages within a D-ring binder to prevent ring indentation.
- **Storage Boxes:** For bulk storage, use archival-safe cardboard or plastic storage boxes designed for trading cards.
- **Temperature and Humidity:** Store cards in a stable environment, ideally between 65-75°F (18-24°C) with relative humidity between 35-50%.
