

## Bburago B18-21102

# Bburago B18-21102 Countach LPI 800-4 Die-cast Car Instruction Manual

Model: B18-21102 | Brand: Bburago

## INTRODUCTION

Thank you for choosing the Bburago B18-21102 Countach LPI 800-4 die-cast model car. This meticulously crafted 1:24 scale replica captures the elegance and power of the iconic Lamborghini Countach. This manual provides essential information for the proper handling, display, and care of your collectible model.

## SAFETY INFORMATION

**WARNING: Small Parts. Not suitable for children under 36 months due to choking hazard.**

This product meets and exceeds all UK, US, and European safety standards (EN 71). Adult supervision is recommended for younger users.

## SETUP

- Unboxing:** Carefully remove the die-cast car from its packaging. Ensure all protective materials are removed.
- Placement:** Place the model on a stable, flat surface, ideally indoors, away from direct sunlight, extreme temperatures, and high humidity to preserve its finish and materials.

## OPERATING THE MODEL

This Bburago die-cast model is designed for display and gentle interaction. It features several movable parts:

- **Doors:** Gently open the doors to reveal the detailed interior. Avoid forcing them beyond their natural range of motion.
- **Bonnet/Engine Cover:** The bonnet (engine cover) can be opened to admire the replicated power plant. Handle with care.
- **Wheels:** The model features smooth-rolling rubber tires. It can be pushed gently on flat surfaces.

Avoid excessive force or rough handling to prevent damage to the delicate parts and paint finish.

## MAINTENANCE AND CARE

- **Cleaning:** To clean the model, use a soft, dry cloth to gently wipe away dust. For stubborn dirt, a slightly damp cloth

can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or solvents.

- **Storage:** When not on display, store the model in its original packaging or a protective display case to prevent dust accumulation and accidental damage.
- **Handling:** Always handle the model by its main body, avoiding delicate parts like mirrors, spoilers, or antennas.
- **Environment:** Keep the model away from direct sunlight, high temperatures, and high humidity, which can cause paint fading or material degradation over time.

## TROUBLESHOOTING

Most issues with die-cast models are related to handling or environmental factors. Here are some common concerns:

- **Loose Parts:** If a small part becomes loose, it can often be reattached with a small amount of model-safe adhesive. Exercise caution and ensure proper alignment.
- **Dust Accumulation:** Regular, gentle dusting with a soft brush or microfiber cloth will prevent heavy dust buildup.
- **Scratches/Paint Chips:** Minor scratches or paint chips are typically cosmetic and can sometimes be touched up with model paint, though this requires skill and may affect the collectible value. Prevent by careful handling.

For significant damage, consider consulting a professional model repair service if the item holds high collectible value.

## WARRANTY AND SUPPORT

As a collectible model, specific warranty information is typically not provided beyond standard retail return policies. For any product-related inquiries or support, please contact your retailer or the manufacturer, Bburago, directly. Please refer to the packaging or the retailer's website for details on return policies or manufacturer contact information.

## ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
