

UPBRIGHT Razor 12V Crazy Cart Shift Power Supply

UpBright 12V AC/DC Adapter Instruction Manual

For Razor Crazy Cart Shift Models

Brand: UPBRIGHT | Model: Razor 12V Crazy Cart Shift Power Supply

1. INTRODUCTION

This manual provides essential information for the safe and effective use of your UpBright 12V AC/DC Adapter. This adapter is designed to provide power and charge the 12V rechargeable battery for compatible Razor Crazy Cart Shift models. Please read these instructions thoroughly before use to ensure proper operation and to prevent damage to the adapter or your device.

2. IMPORTANT SAFETY INFORMATION

To reduce the risk of electric shock, fire, or injury, always follow these basic safety precautions:

- **Power Source:** Connect the adapter only to a grounded power outlet within the specified input voltage range (100-240VAC, 50/60Hz).
- **Connector Type:** This adapter features a barrel round plug tip. Ensure it matches the charging port of your device. It is **NOT** compatible with 3-prong connectors.
- **Voltage Compatibility:** This adapter is designed for 12V rechargeable batteries only. Do**NOT** use it with 24V versions of the Razor Crazy Cart Shift or any other device requiring a different voltage.
- **Protection Features:** The adapter includes Over Voltage Protection (OVP), Over Current Protection (OCP), and Short Circuit Protection (SCP) to safeguard your device.
- **Environmental Conditions:** Do not expose the adapter to rain, moisture, or extreme temperatures. Use in a well-ventilated area.
- **Damage:** Do not use the adapter if the cord or plug is damaged. Contact support for replacement.
- **Disassembly:** Do not attempt to open or modify the adapter. There are no user-serviceable parts inside.

The adapter is designed with multiple professional protections including good heat resistance, VO-grade fire-retardant materials, overcharge protection, overvoltage protection, overheat protection, and overcurrent protection to ensure safe charging.

3. PACKAGE CONTENTS

Your UpBright 12V AC/DC Adapter package should contain the following item:

- 1 x UpBright 12V AC/DC Adapter with Barrel Round Plug Tip

Image: The UpBright 12V AC/DC Adapter, showing the main unit and the attached barrel connector cable.

4. COMPATIBILITY

This UpBright 12V AC/DC Adapter is specifically designed for use with the following Razor Crazy Cart Shift models that utilize a 12V rechargeable battery and a barrel-type charging port:

- Razor Crazy Cart Shift 25143493
- Razor Crazy Cart Shift 25143444
- Razor Crazy Cart Shift 2.0 Blue 25173840

Important Note: This adapter is **ONLY** for 12V rechargeable battery systems. It is **NOT** compatible with 24V versions. Please verify your device's voltage requirements before connecting. The adapter features a barrel round plug tip. Ensure your device's charging port matches this connector type and is not a 3-prong connector.

5. SETUP AND CONNECTION

Follow these steps to properly connect your UpBright AC/DC Adapter:

1. **Inspect:** Before connecting, visually inspect the adapter, cable, and the barrel plug for any signs of damage. Do not use if damaged.
2. **Connect to Device:** Insert the barrel round plug tip of the adapter cable firmly into the charging port of your Razor Crazy Cart Shift.
3. **Connect to Power Outlet:** Plug the AC end of the adapter into a standard 100-240VAC wall outlet.
4. **Verify:** Ensure both connections are secure. The charging indicator on your Razor Crazy Cart Shift (if present) should activate, indicating that charging has begun.

6. OPERATING INSTRUCTIONS

Once connected, the adapter will begin charging the 12V battery of your Razor Crazy Cart Shift. The charging time will vary depending on the battery's current charge level and capacity. Refer to your Razor Crazy Cart Shift's manual for specific charging duration recommendations and battery indicator information.

- Always charge the battery in a dry, well-ventilated area.
- Disconnect the adapter from the wall outlet and the device once charging is complete or if the device will not be used for an extended period.

7. MAINTENANCE

Proper maintenance ensures the longevity of your adapter and the safety of its use:

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a dry, soft cloth to wipe the exterior. Do not use liquid cleaners or solvents.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and moisture when not in use. Avoid wrapping the cable too tightly around the adapter.
- **Battery Life:** Rechargeable batteries have a finite lifespan, typically 1 to 3 years. An old or faulty battery may not accept a charge, which is not an indication of a charger malfunction.

8. TROUBLESHOOTING

If you encounter issues with your UpBright AC/DC Adapter, consider the following:

- **No Charge Indication:**

- Ensure the adapter is securely plugged into both the wall outlet and the device.
 - Verify the wall outlet is functional by testing it with another device.
 - Confirm that your Razor Crazy Cart Shift is a 12V model and not a 24V model.
 - Check the barrel connector for any debris or damage.
 - If the battery is old or damaged, it may no longer accept a charge. This is a battery issue, not an adapter issue.
- **Adapter Overheating:** While the adapter has overheat protection, if it feels excessively hot, disconnect it immediately. Ensure it is used in a well-ventilated area and not covered.
 - **Physical Damage:** If the adapter or cable shows signs of physical damage, discontinue use immediately and contact customer support.

9. SPECIFICATIONS

Feature	Specification
Input Voltage	100-240VAC, 50/60Hz
Output Voltage	12VDC (Compatible with 12V systems only)
Connector Type	Barrel Round Plug Tip (Not 3-Prong)
Protection Features	OVP, OCP, SCP, Overcharge, Overvoltage, Overheat
Product Dimensions	3 x 3 x 1 inches
Item Weight	3.2 ounces
Color	Black
Certifications	CE

10. WARRANTY AND SUPPORT

UpBright stands behind the quality of its products. This adapter comes with the following:

- **30-Day Refund Policy:** If you are not satisfied with your purchase, you may be eligible for a refund within 30 days.
- **24-Month Exchange Policy:** UpBright offers a 24-month exchange policy for units found to be defective under normal use.

For warranty claims or technical support, please refer to the contact information provided with your purchase or visit the official UpBright store on Amazon.
