# Joydeco Cordless Zebra Blinds User Manual

Model: SC0003-OWH-35-V2

## PRODUCT OVERVIEW

---

The Joydeco Cordless Zebra Blinds are designed for windows, offering a dual-layer fabric system for versatile light and privacy control. Made from 100% polyester, these blinds provide light filtering capabilities and enhanced durability. Their cordless design ensures safety, making them suitable for homes with children and pets.

## SAFETY FEATURES

---

These cordless zebra blinds are designed with safety as a priority. The absence of cords eliminates potential hazards, making them an ideal choice for households with children and pets. The height adjustment is managed via a pull rod located at the bottom of the fabric, ensuring ease of use without compromising safety.

## SETUP AND INSTALLATION

---

Proper measurement is crucial for optimal fit and function. Follow the guidelines below to determine whether an inside or outside mount is appropriate for your window.

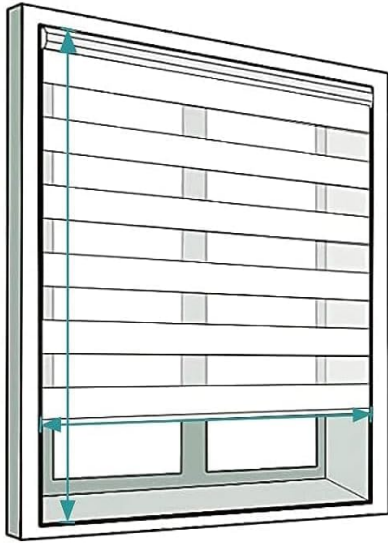

### Measuring Your Window

- **Inside Mount:** Deduct 0.1" to 0.2" from the inside width of your window frame. The blind width should be less than or equal to this calculated value. The blind height should be greater than or equal to the exact inside height of your window frame.
- **Outside Mount:** Add at least 3" to the outer-width and outer-height of your window frame. The blind width and height should be greater than or equal to these calculated values.

Note: The fabric width will be approximately 1" narrower than the overall blind width.

# How To Measure

## Inside Mount

## Outside Mount

### How to measure:

Deduct 0.1-0.2" from inside-width of window-frame.

Exact inside-height of window-frame.

### How to measure:

Plus 3" based on the outer-width & outer-height of window-frame.

## OPERATING INSTRUCTIONS

---

The Joydeco Cordless Zebra Blinds feature a unique dual-layer fabric design that allows for flexible light and privacy control.

- **Light Filtering (Semi Shading):** Align the sheer and solid fabric stripes to allow natural light to filter into your room while maintaining a degree of privacy.
- **Privacy Control (Full Shading):** Adjust the blinds to align the solid fabric stripes, providing enhanced privacy and reducing incoming light.

To adjust the blinds, gently push or pull the bottom rail to raise or lower them to your desired position. The free-stop mechanism allows the blinds to remain at any height without cords.

## MAINTENANCE AND CARE

Maintaining your Joydeco Cordless Zebra Blinds is simple and requires minimal effort.

- **Cleaning:** To clean the fabric surface, simply dampen a soft cloth with water and gently wipe the affected area. Avoid harsh chemicals or abrasive cleaners, as these may damage the fabric.
- **General Care:** Handle the blinds gently when adjusting them to ensure smooth operation and prevent twisting of the fabric.

## TROUBLESHOOTING

Should you encounter any issues with your Joydeco Cordless Zebra Blinds, please refer to the following common solutions:

- **Missing Parts:** If any components (L-brackets, C-clamps, screws, or expansion bolts) are missing from your package, please contact customer service for free replacements. You will need to provide proof of purchase, such as a screenshot of your order.
- **Fabric Twisting:** If the fabric appears twisted or misaligned, gently adjust the blinds. Ensure smooth and even movement when raising or lowering to prevent this issue.

- **Operation Issues:** If the blinds do not move smoothly, check for any obstructions in the mechanism or along the fabric path. Ensure the bottom rail is grasped firmly and moved evenly.
