HOGOKIDS C0213

HOGOKIDS Tree House Building Set with LED Light

Model: C0213
Brand: HOGOKIDS

1. Introduction

This manual provides instructions for the assembly, operation, and maintenance of the HOGOKIDS Tree House Building Set with LED Light. Please read this manual carefully before beginning assembly to ensure correct usage and to prevent damage to the product.

Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.
This building set contains small parts which may pose a choking hazard. Adult supervision is recommended, especially for younger children within the recommended age range of 6-15 years. Keep all packaging materials away from children.

2. Package Contents

Verify that all components are present before starting assembly. The HOGOKIDS Tree House Building Set includes:

- 613 pieces of building blocks
- LED lighting components
- 4 mini animal figures (1 dog, 2 cats, 1 monkey)
- 1 buildable fountain
- 1 easel accessory
- 1 Instruction Manual

Figure 2.1: Overview of product dimensions and included components.

3. Setup and Assembly

Assembly of the HOGOKIDS Tree House Building Set requires careful attention to the included step-by-step instruction manual. Follow the diagrams and instructions provided in the separate manual to connect the building blocks correctly.

General Assembly Steps:

1. **Unpack Components:** Carefully remove all building blocks and accessories from the packaging. Organize pieces by color or type if desired to facilitate assembly.
2. **Follow Instruction Manual:** Refer to the dedicated instruction manual for detailed, illustrated steps on how to construct the tree house structure, including the three floors, balcony, and roof.
3. **Assemble Features:** Construct the bird house, garden elements, fountain, and telescope according to the manual.
4. **Integrate LED Lighting:** Install the LED lighting components as indicated in the instruction manual. Ensure proper connection for functionality.

5. **Add Accessories:** Place the mini animal figures and easel in desired locations around the completed tree house.

Figure 3.3: Detail of an LED light component.

4. Operating Instructions

Once assembled, the HOGOKIDS Tree House offers various interactive elements for play.

LED Light Operation:

The tree house features integrated LED lighting. To activate the lights, locate the battery compartment or switch on the LED component (refer to the specific instructions in the assembly manual for its exact location and operation). Ensure batteries are correctly installed if required.

Interactive Features:

- **Opening Roof:** The roof section of the main house can be opened to access the interior.
- **Balcony:** Figures can be placed on the balcony.
- **Telescope:** The telescope accessory can be positioned on the balcony for imaginative play.
- **Fountain:** The separate fountain accessory can be placed in the garden area.

5. Maintenance

Proper care will ensure the longevity of your HOGOKIDS Tree House Building Set.

Cleaning:

To clean the building blocks and assembled set, gently wipe with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic or printed details. Do not submerge the LED lighting components in water.

Storage:

Store the building set in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause colors to fade. If disassembling for storage, keep all pieces in a sealed container to prevent loss.

Battery Replacement (for LED Lights):

If the LED lights dim or stop working, it may be necessary to replace the batteries. Refer to the specific instructions for the

LED component in the assembly manual for battery type and replacement procedure. Ensure batteries are inserted with correct polarity.

6. Troubleshooting

This section addresses common issues you might encounter.

Missing Pieces:

If you find any pieces missing upon opening the set, please contact HOGOKIDS customer service immediately. Provide details of the missing parts, referring to the parts list in the instruction manual if available.

Blocks Not Connecting Properly:

Ensure that you are using the correct blocks for each step as indicated in the instruction manual. Apply firm, even pressure when connecting blocks. If a block consistently fails to connect, inspect it for any manufacturing defects. Contact customer service if issues persist.

LED Lights Not Working:

- Check if the power switch on the LED component is in the 'ON' position.
- Verify that batteries are correctly installed with the proper polarity.
- Replace old batteries with new ones if the lights are dim or non-functional.
- Ensure all connections to the LED unit are secure.

7. Specifications

Feature	Detail
Product Name	Tree House Building Set with LED Light
Brand	HOGOKIDS
Model Number	C0213
Number of Pieces	613
Product Dimensions	Approximately 2 x 2 x 2 inches (assembled base dimensions: 16cm x 16cm / 6.29in x 6.29in, height: 21cm / 8.26in)
Item Weight	0.317 ounces
Recommended Age	6 - 15 years
Special Features	LED Lighting, 3-floor design, opening roof, balcony, fountain, animal figures
