Lume DCTT30PR0502

Lume Whole Body Deodorant - Invisible Cream Tube

Model: DCTT30PR0502 | Brand: Lume

PRODUCT OVERVIEW

The Lume Whole Body Deodorant in Peony Rose scent is an invisible cream designed for 72-hour odor control. It is aluminum-free, baking soda-free, and skin-safe, suitable for various body areas.

This product is clinically proven to block body odor before it starts, offering long-lasting freshness. It also helps to visually even skin tone by exfoliating and reducing the appearance of hyperpigmentation.

KEY FEATURES

- **Whole Body Odor Control:** Effective for pits, privates, feet, underboob, belly buttons, tummy folds, butt cracks, thigh creases, and other areas.
- **72-Hour Efficacy:** Clinically proven to block body odor for up to 72 hours.
- **pH Optimized:** Formulated to prevent odor before it starts, acting as a "PREodorant."
- **Skin-Safe Formula:** Hypoallergenic, aluminum-free, baking soda-free, and gentle for sensitive skin.
- **Visually Evens Skin Tone:** Contains Mandelic Acid, clinically proven to exfoliate and reduce the appearance of hyperpigmentation.
- **Peony Rose Scent:** A light, romantic fragrance with delicate blossoms and citrus bergamot notes.

SAFETY INFORMATION

For external use only. If irritation occurs, discontinue use. Sunburn Alert: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.

INGREDIENTS

Water, Mandelic Acid, Maranta Arundinacea Root Powder, Tapioca Starch, Isoamyl Laurate, Hydroxypropyl Starch Phosphate, Cetearyl Alcohol, Caffeine, Caprylic/Capric Triglyceride, Behenyl Alcohol, Hydrogenated Castor Oil, Fragrance, Aloe Barbadensis Leaf Juice, Theobroma Cacao (Cocoa) Seed Butter, Floral Pyranol, Tocopherol, Allantoin, Panthenol, Sandalrome, Stearyl Alcohol, Dimethicone, Cetearyl Glucoside, Pentylene Glycol, Phenylpropanol, Potassium Hydroxide, Dipropylene Glycol, Sodium Benzoate, Tetrasodium Glutamate Diacetate.

DIRECTIONS FOR USE

Dispense a pea-sized amount and apply to desired area. Rub in like a lotion until clear. A little goes a long way. For underarms, apply daily until odor-free for 24 hours. For other body areas (e.g., under breasts, tummy folds, between legs, feet), apply 2-3 times a week.

Official Product Video: How To Use Lume

Your browser does not support the video tag.

Video: A detailed guide on how to effectively apply Lume Whole Body Deodorant to various parts of the body for optimal odor control.

SETUP

Before first use, ensure skin is clean and dry. For sensitive skin, perform a patch test on a small, inconspicuous area to check for any adverse reactions. Begin with a pea-sized amount as directed.

OPERATING

Lume Whole Body Deodorant is designed for daily use on underarms until 24-hour odor freedom is achieved. For other external body areas, application 2-3 times per week is typically sufficient to maintain odor control. Adjust frequency based on individual needs and activity levels.

MAINTENANCE

Store the cream tube in a cool, dry place away from direct sunlight. Ensure the cap is securely closed after each use to prevent drying out and maintain product efficacy. Do not freeze.

TROUBLESHOOTING

Initial Scent Perception:

Some users may notice an unusual scent upon initial application, particularly with unscented or certain fragranced versions. This is normal and typically dissipates as the product dries and begins to work. Allow time for the product to settle on the skin before assessing its true scent profile.

Skin Irritation:

If skin irritation occurs, especially after shaving or on already irritated skin, discontinue use. The product contains Mandelic Acid, which may cause sensitivity in some individuals. Refer to the Safety Information section regarding AHAs and sun sensitivity.

Effectiveness Duration:

While clinically proven for 72-hour odor control, individual results may vary based on body chemistry, activity level, and application consistency. If 72-hour protection is not achieved, consider adjusting the amount applied or the frequency of application.

SPECIFICATIONS

Model Number	DCTT30PR0502
UPC	850030360502
Brand	Lume
