2. SAFETY INFORMATION

- **Recommended Age:** Suitable for ages 3 years and up.
- **Battery Safety:** Always use the correct type of batteries (3 C batteries). Ensure batteries are inserted with correct polarity (+ and -). Do not mix old and new batteries, or different types of batteries. Remove exhausted batteries promptly. Do not short-circuit battery terminals.
- **Choking Hazard:** Contains small parts (pinball). Not suitable for children under 3 years due to potential choking hazards.
- **Supervision:** Adult supervision is recommended during play.
- **Placement:** Place the pinball machine on a stable, flat surface to prevent tipping.

3. PACKAGE CONTENTS

- 1 x LEXiBOOK Batman Electronic Pinball Machine
- 1 x Score Display Unit
- 2 x Plastic Support Legs
- 1 x Screwdriver (for battery compartment)
- 1 x Metal Pinball

4. SETUP

4.1 Battery Installation

1. Locate the battery compartment on the underside of the pinball machine.
2. Using the provided screwdriver, carefully open the battery compartment cover.
3. Insert 3 C batteries (not included) into the compartment, ensuring correct polarity (+ and -).
4. Replace the battery compartment cover and secure it with the screw.

4.2 Assembly

1. Attach the score display unit to the top of the main pinball machine body. It should click securely into place.
2. Insert the two plastic support legs into the designated slots on the back underside of the machine. These legs will slightly elevate the back of the machine, creating the optimal playing angle.
3. Place the assembled pinball machine on a flat, stable surface.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- Locate the **ON/OFF** button on the score display unit.
- Press the **ON/OFF** button to power on the machine. The digital score display will light up, and the machine will emit sounds and lights.
- Press the **ON/OFF** button again to power off the machine.

5.2 Playing the Game

1. **Launch the Ball:** Pull back the spring-loaded plunger on the right side of the machine and release it to launch the metal pinball onto the playfield.
2. **Control Flippers:** Use the two flipper buttons on the sides of the machine to control the flippers and keep the ball in play.
3. **Score Points:** Hit the various obstacles and bumpers on the playfield to score points. The digital display will automatically update your score. The machine features 5 luminous obstacles that light up and produce sounds when hit.
4. **Reset Game:** To start a new game or reset your score, press the **RESET** button on the score display unit.

6. MAINTENANCE

- **Cleaning:** Wipe the surface of the pinball machine with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the machine in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** If the machine will not be used for an extended period, remove the batteries to prevent leakage and damage.

7. TROUBLESHOOTING

- **No Power:** Ensure batteries are correctly installed and not depleted. Replace with fresh C batteries if necessary.
- **No Sound/Lights:** Check battery power. If sounds or lights are intermittent, batteries may be low.
- **Ball Not Launching/Flippers Not Working:** Check for any obstructions on the playfield or around the flipper mechanisms. Ensure the spring-loaded plunger is functioning correctly.
- **Score Display Issues:** Try pressing the RESET button. If the issue persists, replace batteries.
