PawHut Bird Play Stand User Manual

Model: USD10-0690131

1. INTRODUCTION

Thank you for choosing the PawHut Bird Play Stand. This portable perch and feeder station is designed to provide a comfortable and engaging environment for your bird. It features multiple perches, feeding bowls, and a mess-containing tray, all on a wheeled base for easy relocation.

Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

2. SAFETY INSTRUCTIONS

- Ensure all parts are securely fastened before allowing your bird to use the stand.
- Regularly inspect the stand for any loose or damaged components. Replace or repair as necessary.
- Keep the stand on a level surface to prevent tipping.
- Do not overload the stand with excessive weight.
- Keep small children and other pets supervised around the bird stand.
- Clean the stand regularly to maintain a hygienic environment for your bird.

3. PACKAGE CONTENTS

Please verify that all components listed below are present in your package:

- Main Support Pole
- Base with Wheels (4x)
- Round Tray
- Horizontal Perch (1x)
- Vertical Perches (3x)
- Stainless Steel Feeding Bowls (2x)
- Assembly Hardware (screws, washers, wrench)

4. ASSEMBLY AND SETUP

Assembly is required for this product. Follow these steps carefully:

1. **Attach the Wheels to the Base:** Securely fasten the four wheels to the cross-shaped base using the provided hardware. Ensure they are tightly attached for stability and smooth movement.
2. **Connect the Main Support Pole:** Attach the main support pole to the center of the wheeled base. Use the appropriate screws and tighten them firmly.
3. **Install the Round Tray:** Slide the large round tray onto the main support pole. Ensure it rests securely at the designated height. The high-edge design helps contain debris.
4. **Attach the Perches:** Insert the wooden perches into the pre-drilled holes on the main support pole. The stand includes one horizontal perch and three smaller vertical perches for varied bird activity.
5. **Place the Feeding Bowls:** Position the two stainless steel feeding bowls into the designated holders on the horizontal perch. These bowls are for food and water.

EASY TO MOVE

Features 4 universal wheels for easy movement

5. OPERATING INSTRUCTIONS

The PawHut Bird Play Stand is designed for ease of use and bird comfort.

- **Placement:** Position the stand in a safe, comfortable area for your bird. The wheels allow for easy relocation between rooms or even outdoors (ensure supervision).
- **Feeding and Hydration:** Fill the two stainless steel bowls with fresh food and water daily.
- **Bird Interaction:** Encourage your bird to use the various wooden perches for play, rest, and exercise.
- **Mess Management:** The wide, high-edge round tray is designed to catch dropped food, seeds, and droppings, minimizing mess around the stand.

6. MAINTENANCE AND CARE

Regular cleaning and maintenance will extend the life of your bird stand and ensure a healthy environment for your pet.

- **Daily Cleaning:** Empty and wash the stainless steel feeding bowls daily with warm, soapy water. Rinse thoroughly.
- **Tray Cleaning:** The high-edge tray is easy to clean. Wipe it down daily with a damp cloth to remove droppings and food debris. For deeper cleaning, remove the tray and wash with mild soap and water, then dry completely before reattaching.
- **Perch Cleaning:** Wipe wooden perches with a damp cloth. For stubborn stains, a mild bird-safe disinfectant can be used, followed by thorough rinsing and drying.
- **Frame Cleaning:** Wipe the metal frame with a damp cloth as needed. Avoid abrasive cleaners that could damage the finish.
- **Wheel Maintenance:** Periodically check the wheels for any accumulated debris (feathers, food) that

might hinder smooth movement. Clean as necessary.

7. TROUBLESHOOTING

If you encounter any issues with your PawHut Bird Play Stand, refer to the following common solutions:

Problem	Possible Cause	Solution
Stand feels unstable or wobbly.	Loose connections; uneven surface.	Check and tighten all screws and bolts. Ensure the stand is on a flat, level surface.
Wheels do not roll smoothly.	Debris in wheels; wheels not properly installed.	Clean any debris from the wheel casters. Verify wheels are securely attached and can swivel freely.
Bird is not using the perches.	New environment; perches are too high/low for the bird.	Allow time for your bird to adjust. Ensure the perches are at a comfortable height and diameter for your specific bird species. Offer treats on the perches to encourage use.
Food/water bowls fall out.	Bowls not seated correctly.	Ensure bowls are fully inserted and seated firmly in their holders.

8. SPECIFICATIONS

Feature	Detail
Model Number	USD10-0690131
Overall Dimensions	Ø23.5" x 43.75"H
Round Tray Dimensions	Ø23.5" x 1.5"H
