Sluban M38-B0974 Girls Dream Villa Building Set Instruction Manual

Model: M38-B0974 | Brand: Sluban

1. PRODUCT OVERVIEW

The Sluban M38-B0974 Girls Dream Villa is a comprehensive building set consisting of 727 high-quality plastic pieces. This set allows for the construction of a multi-story villa, complete with various rooms, outdoor areas, and miniature figures, fostering imaginative play and developing fine motor skills and spatial reasoning. The components are designed for strong impact resistance and durability.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD – Small Parts. Not for children under 3 years. This building set contains small components that may pose a choking hazard if swallowed.

- **Recommended Age:** The manufacturer recommends this product for ages 18 months to 3 years. However, due to the complexity and number of small pieces (727 parts), parental supervision is strongly advised for younger children during assembly and play.
- Keep all packaging materials (plastic bags, ties, etc.) away from children to prevent suffocation.
- Inspect all pieces before assembly for any damage. Do not use broken or damaged parts.
- Ensure all connections are secure during assembly to prevent parts from detaching unexpectedly.

3. PACKAGE CONTENTS

The Sluban M38-B0974 Girls Dream Villa set includes:

- 727 assorted building blocks and specialized pieces.
- Several miniature figures.
- Accessory elements for the villa (e.g., furniture, decorative items).
- Detailed instruction booklet for assembly (not pictured, but implied for such a set).

4. SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included instruction booklet to assemble your Girls Dream Villa. Assembly typically involves:

1. **Preparation:** Unpack all components and sort them by color, shape, or size as indicated in the instruction booklet. This will simplify the building process.
2. **Foundation:** Begin by constructing the base of the villa according to the first steps in the manual.
3. **Layered Construction:** Proceed with building the walls, floors, and interior elements layer by layer, carefully following the diagrams.
4. **Details and Figures:** Attach smaller decorative elements, furniture, and place the miniature figures once the main structure is complete.

Ensure each piece is firmly connected to create a stable structure. If you encounter difficulty, re-examine the previous steps in the instruction booklet.

5. OPERATING (PLAY)

Once assembled, the Girls Dream Villa provides a rich environment for imaginative play. Children can:

- Arrange and rearrange the miniature figures and furniture within the villa.
- Create various scenarios and stories using the different rooms and outdoor areas.
- Integrate the villa with other building sets or toys for expanded play.

The set is designed to encourage creativity, role-playing, and social interaction when played with others.

6. MAINTENANCE

To ensure the longevity of your Sluban Girls Dream Villa building set:

- **Cleaning:** Wipe the building blocks and figures with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic.
- **Storage:** Store the assembled villa or disassembled pieces in a clean, dry place away from direct sunlight and extreme temperatures. Keeping the pieces in their original box or a dedicated storage container can help prevent loss and damage.
- **Handling:** Handle the assembled structure with care to prevent accidental disassembly.

7. TROUBLESHOOTING

- **Missing Pieces:** If you discover any missing pieces upon opening the package, please contact Sluban customer support with your product model number (M38-B0974) and details of the missing part.
- **Difficulty Assembling:** If you encounter difficulty connecting pieces or following a step, carefully review the instruction booklet. Ensure you are using the correct pieces for each step and that they are oriented correctly. Sometimes, a firm push is required to secure connections.
- **Loose Connections:** If parts feel loose after assembly, gently press them together more firmly. If a piece consistently remains loose, it may be damaged; contact customer support.
