Sluban M38-B0977

Sluban Army ME-262 Fighter Aircraft M38-B0977 Instruction Manual

Model: M38-B0977 | Brand: Sluban

1. Introduction

Thank you for choosing the Sluban Army ME-262 Fighter Aircraft building set. This manual provides detailed instructions for assembling, operating, and maintaining your model. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.
This set allows you to construct a detailed replica of the ME-262 Fighter Aircraft, part of the Battle of Budapest series, consisting of 338 pieces.

2. Safety Warnings

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all small pieces away from infants and young children.
- **Recommended Age:** This building set is recommended for ages 6-14 years. Adult supervision is advised for younger builders.
- **Material Safety:** All components are made from non-toxic plastic. Do not ingest any parts.
- **Proper Disposal:** Dispose of packaging materials responsibly.

3. Package Contents

Before starting assembly, please verify that all components are present. The package should contain:

- 338 building block pieces for the ME-262 Fighter Aircraft.
- 1 instruction manual (this document).
- 1 pilot minifigure.

Image 3.1: Product packaging. The box displays the assembled ME-262 Fighter Aircraft, the Sluban Army branding, and indicates 338 pieces.

4. Setup and Assembly

Follow the step-by-step instructions provided in the included printed manual to assemble your ME-262 Fighter Aircraft. Ensure you connect pieces firmly to prevent the model from falling apart during play or display.

1. **Preparation:** Unpack all pieces and sort them by color or type if desired. This can simplify the building process.
2. **Follow Instructions:** Refer to the detailed diagrams in the physical instruction booklet. Each step shows which pieces to use and where to place them.
3. **Secure Connections:** Press pieces together firmly until they click into place. Loose connections can lead to instability.
4. **Pilot Assembly:** Assemble the pilot minifigure as shown in the manual and place it into the cockpit once the aircraft is sufficiently built.

Image 4.2: A detailed view of the assembled aircraft, showcasing the cockpit area with the pilot minifigure seated inside.

5. Operating the Model

This Sluban building set is designed for display and imaginative play. Once assembled, the ME-262 Fighter Aircraft can be:

- **Displayed:** Place the model on a flat, stable surface. Its detailed design makes it suitable for collection and display.
- **Played With:** Engage in imaginative play scenarios. The landing gear can be retracted or extended, and the cockpit canopy can be opened to place or remove the pilot minifigure.

- **Interactivity:** The model features movable parts typical of building block sets, allowing for dynamic play.

6. Maintenance

To keep your Sluban ME-262 Fighter Aircraft in excellent condition:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For deeper cleaning, gently wipe with a damp cloth and mild soap, then rinse with clean water and air dry completely. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the model away from direct sunlight and extreme temperatures to prevent discoloration or warping of plastic pieces.
- **Handling:** Handle the model carefully, especially when moving it, to avoid pieces detaching.

7. Troubleshooting

If you encounter any issues during assembly or with the finished model, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area. If a piece is genuinely missing, contact Sluban customer support (see Section 9).
- **Loose Connections:** Ensure all pieces are pressed firmly together. Sometimes a piece may appear connected but is not fully seated.
- **Assembly Errors:** Review the instruction manual steps carefully. It is common to miss a step or place a piece incorrectly. Disassemble the problematic section and re-assemble.
- **Difficulty Connecting Pieces:** Ensure you are using the correct pieces for the step. Some pieces may require a bit more pressure to connect.

8. Specifications

Model Number	M38-B0977
Set Name	ARMY (Battle of Budapest) ME-262 Fighter Aircraft
Number of Pieces	338
Material	Plastic
Product Dimensions (L x W x H)	30.5 x 33.7 x 10.9 cm (12.01 x 13.27 x 4.29 inches)
Weight	590 grams (1.3 lbs)
Recommended Age	6-14 years
Theme	Military, Historical (Battle of Budapest)
