

GoCube GDN1-Set6-A

GoDice Full Pack GDN1-Set6-A Smart Connected Dice User Manual

Model: GDN1-Set6-A

1. INTRODUCTION

The GoDice Full Pack is a set of six smart connected dice designed to bring traditional dice games into the 21st century. These premium-quality dice connect wirelessly to a companion application on your tablet or smartphone, transforming your device into an interactive board game. The GoDice system offers a unique blend of physical interaction and digital engagement for a wide variety of games.

This manual provides essential information for setting up, operating, and maintaining your GoDice Full Pack to ensure an optimal user experience.

3. SETUP GUIDE

3.1. Charging the GoDice

Each GoDice features an instant charging solution. Place the dice into the charging case. A 10-second charge provides approximately 2 hours of gameplay. Ensure the charging case is connected to a power source using the provided USB charger.

3.2. Downloading the Companion App

The GoDice requires a companion application to function. The app is available for both iOS and Android devices. Search for "GoDice" in your device's respective app store (Apple App Store or Google Play Store) and download it.

3.3. Connecting the Dice

1. Ensure your GoDice are charged.
2. Open the GoDice companion app on your smartphone or tablet.
3. The app will automatically detect and connect to nearby GoDice via Bluetooth 5.0. Follow any on-screen prompts to complete the pairing process.
4. Once connected, the dice will display colorful light effects, indicating readiness for gameplay.

The Smartest Dice Packed With Cool Tech!

-  10 seconds Charging
-  Advanced 3d sensors
-  Smart LED System
-  Bluetooth 5.0
-  iOS & Android Apps

4. OPERATING INSTRUCTIONS

4.1. Playing Games

The GoDice app offers a diverse selection of games, including classics and innovative new titles. The app acts as your digital interactive board, tracking rolls, managing game states, and displaying scores. Simply select a game from the app's library and follow the in-game instructions.

Compatible games include: Pig, Funny Bugs, Shut the Pool, Backgammon, Ludo, Tawla 31, RedGoesOff, Trivia, Bombsquad, Take The Chance, Yatzy, Farkle, Math Dice, and GroveBlocking. The dice also integrate with online RPG platforms.

4.2. Interactive Features

- **3D Sensors:** Each die is equipped with advanced 3D sensors that accurately detect rolls and outcomes, transmitting data to the app in real-time.
- **Smart LED System:** The dice feature a colorful light system that provides visual feedback during gameplay, indicating turns, results, and special events.
- **Wireless Connectivity:** Bluetooth 5.0 ensures a stable and seamless connection between the dice and your smart device.

AWESOME FAMILY FUN

5. MAINTENANCE

5.1. Battery Care

The GoDice are powered by supercapacitors, allowing for rapid charging. A 10-second charge provides approximately 2 hours of gameplay. To maximize battery life and performance:

- Always store the dice in their charging case when not in use.
- Avoid fully depleting the dice battery frequently.
- Charge the dice regularly, even if only for short periods.

5.2. Cleaning

To clean your GoDice, gently wipe them with a soft, dry cloth. Do not use abrasive cleaners or immerse the dice in water, as this can damage the internal electronics.

6. TROUBLESHOOTING

If you encounter issues with your GoDice, refer to the following common problems and solutions:

6.1. Connectivity Issues

- **Dice not connecting:** Ensure the dice are charged. Close and reopen the GoDice app. Turn your device's Bluetooth off and on again.
- **Frequent disconnections:** Ensure the dice are within close proximity to your device. Avoid obstructions between the dice and your device. Check for any other Bluetooth devices that might be causing interference.

6.2. Dice Not Rolling Correctly

- Ensure the dice are clean and free from debris that might affect their balance or sensor readings.
- Perform a calibration check within the GoDice app if available.

6.3. Short Battery Life

- Confirm the dice are fully charged before use (10 seconds of charging provides 2 hours of play).
- Ensure the charging case is functioning correctly and connected to a reliable power source.

For persistent issues, consult the GoDice official support website or contact customer service.

7. SPECIFICATIONS

Feature	Detail
Model Number	GDN1-Set6-A
UPC	850007562175
Item Weight	11.3 ounces (0.32 Kilograms)
Product Dimensions	1 x 6 x 1 inches
Power Source	Battery Powered
Battery Type	Lithium-Ion (Supercapacitor)
Charging Time	10 seconds per die for 2 hours gameplay
Connectivity	Bluetooth 5.0
Material	Plastic
Recommended Age	8 years and up
Manufacturer	Particula LTD
