1.3 Safety Information

- **Caution:** Small parts. Not suitable for children under 14 years of age due to potential choking hazards.
- This product is a display model and not intended for rough play.

2. SETUP

2.1 Unboxing and Display

Your Bburago Ferrari model comes securely packaged to ensure its pristine condition upon arrival. Follow these steps to unbox and prepare your model for display:

1. Carefully remove the outer packaging.
2. Extract the model from its clear acrylic display case. The case is designed to protect the model during transit and for long-term display.
3. The model is typically secured to a display base. To remove the model from the base, locate the securing screws or twist-locks on the underside of the base and carefully loosen them.
4. Place the model on a flat, stable surface away from direct sunlight and extreme temperatures to prevent damage or fading.

4. MAINTENANCE

4.1 Cleaning

To maintain the appearance of your diecast model:

- Use a soft, dry microfiber cloth to gently wipe away dust.
- For stubborn marks, lightly dampen the cloth with water. Avoid harsh chemicals or abrasive cleaners, as these can damage the paint or decals.
- Do not immerse the model in water.

4.2 Storage

When not on display, store the model in its original packaging or a similar protective container to prevent dust accumulation and accidental damage.

5. TROUBLESHOOTING

5.1 Common Issues

As a static display model, troubleshooting is minimal. However, consider the following:

- **Loose Parts:** If any small parts become loose, they can often be reattached with a small amount of model-safe adhesive.
- **Dust Accumulation:** Regular gentle cleaning as described in the Maintenance section will prevent excessive dust buildup.
- **Damage from Falls:** Diecast models are delicate. Avoid dropping the model, as this can cause irreparable damage.
