Arcchio 9968029

Arcchio LED Tamilo Floor Lamp Instruction Manual

Model: 9968029

1. Introduction

Thank you for choosing the Arcchio LED Tamilo Floor Lamp. This manual provides essential information for the safe and efficient installation, operation, and maintenance of your new lamp. Please read these instructions carefully before use and retain them for future reference.

The Arcchio LED Tamilo is a modern floor lamp designed for optimal lighting in study and office environments. It features integrated LED light sources that emit light evenly upwards and downwards, with a Unified Glare Rating (UGR) of less than 19, making it suitable for computer workstations.

2. Safety Instructions

- **Electrical Safety:** This product operates on 230 Volts. Ensure the power supply is disconnected before installation, cleaning, or maintenance. Only connect to a properly grounded outlet.
- **Indoor Use Only:** This lamp is rated IP20, meaning it is protected against solid objects larger than 12.5mm but has no protection against water. Do not use in damp or wet locations.
- **Handling:** Handle the lamp with care. Do not drop or subject it to strong impacts.
- **Cleaning:** Disconnect from power before cleaning. Use a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **No User Serviceable Parts:** The LED light sources are integrated and not replaceable by the user. Do not attempt to open or modify the lamp.
- **Ventilation:** Ensure adequate air circulation around the lamp. Do not cover the lamp with any materials.

3. Package Contents

Please check that all components are present and undamaged:

- Arcchio LED Tamilo Floor Lamp Unit
- Power Cable with Plug

4. Setup and Installation

4.1 Unpacking

Carefully remove all packaging materials. Inspect the lamp for any signs of damage. If any damage is found, do not proceed with installation and contact your retailer.

4.2 Assembly

The Arcchio LED Tamilo floor lamp typically comes pre-assembled or requires minimal assembly, primarily attaching the base to the main stand. Follow any specific instructions provided in the packaging for base attachment.

4.3 Placement

Place the floor lamp on a flat, stable surface in your desired location. Ensure the power cable can reach a wall outlet without being stretched or creating a tripping hazard. For optimal lighting in an office or study, position the lamp to illuminate your workspace effectively, minimizing shadows and glare.

5. Operating Instructions

5.1 Power Connection

Once the lamp is assembled and placed, plug the power cable into a standard 230V wall outlet.

5.2 Using the Switch

The Arcchio LED Tamilo lamp is equipped with an integrated switch for easy operation. Locate the switch on the lamp's vertical stand. Press the switch to turn the lamp ON or OFF.

Image: A detailed view of the simple ON/OFF switch integrated into the lamp's design for convenient control.

6. Maintenance

- **Cleaning:** Ensure the lamp is unplugged before cleaning. Use a soft, dry, lint-free cloth to wipe the surfaces. Do not use liquid cleaners, sprays, or abrasive materials, as these can damage the finish or electrical components.
- **Inspection:** Periodically check the power cord and plug for any signs of damage. If any damage is observed, discontinue use and contact a qualified electrician or the manufacturer.
- **LED Lifespan:** The integrated LED light sources are designed for a long operational life and do not require replacement.

7. Troubleshooting

- **Lamp Does Not Turn On:**
  - Ensure the power cable is securely plugged into both the lamp and the wall outlet.

- Check if the wall outlet is functional by plugging in another device.
- Verify that the lamp's switch is in the 'ON' position.

- **Light is Dim or Flickering:**
  - This lamp is not designed for dimming unless explicitly stated. Ensure it is connected to a standard, non-dimmable circuit.
  - If the issue persists, disconnect power and contact customer support.

For issues not listed here, please contact Arcchio customer support.

8. Specifications

Feature	Specification
Brand	Arcchio
Model	Tamilo (9968029)
Material	Aluminium / Zinc
Color	White (RAL 9003), Black (RAL 7021) base
Length	98.4 cm
Width	6.5 cm
Height	193.4 cm
Weight	6.95 kg
Light Source	Integrated LED (2 x 22W)
Total Wattage	44 Watts
Voltage	230 Volts
IP Rating	IP20
Protection Class	I
UGR	<19

8.1 Energy Efficiency
