Sunwayi BZ-203B

Sunwayi 2-in-1 Rechargeable Facial Hair Remover & Eyebrow Trimmer

Model: BZ-203B | Brand: Sunwayi

INTRODUCTION

Thank you for choosing the Sunwayi 2-in-1 Rechargeable Facial Hair Remover & Eyebrow Trimmer. This versatile device is designed for efficient and painless hair removal, offering two interchangeable heads for various applications on both the face and body. Its compact design, integrated LED light, and USB charging capability make it a convenient tool for your personal grooming needs.

SAFETY INFORMATION

- May cause skin irritation or eye injury. Avoid use on infants.
- Keep away from water sources.
- Follow recommended cleaning and maintenance procedures.
- Always unplug the trimmer when not in use.

PACKAGE CONTENTS

Your Sunwayi 2-in-1 Hair Remover package includes the following items:

- 1 x Main Device (with one head pre-installed)
- 2 x Replacement Heads (one tapered for eyebrows/nose, one flat for face/body)
- 1 x Cleaning Brush
- 1 x USB Charging Cable

PRODUCT FEATURES

- 2-in-1 Design:** Comes with two types of washable blades: a tapered blade for precise trimming of eyebrows, nose hair, and lip hair, and a flat blade for broader areas like the face, hands, feet, and underarms.
- Painless Operation:** Designed for gentle and safe hair removal, preventing skin scratches and pain often associated with traditional methods.
- Built-in LED Light:** An internal LED light illuminates the area during operation, ensuring no unwanted hair is missed. A red LED light at the bottom indicates charging status.
- Rechargeable:** Supports fast USB charging via USB adapters, notebooks, or power banks for convenience.
- Portable & Stylish:** Compact mini size, easy to carry in a makeup bag, perfect for travel.

Pores and Skin Damage
Safe & Painless

- Safety Blade Design
- Stainless Steel Material
- 2000 Times Sharpened Blade

SETUP & HEAD REPLACEMENT

1. To change the trimming head, gently twist the currently installed head counter-clockwise and lift it off.
2. Select the desired head (tapered for precision, flat for broader areas).
3. Align the new head with the device and twist clockwise until it clicks securely into place.

CHARGING INSTRUCTIONS

1. Locate the USB charging port at the bottom of the device.
2. Insert the provided USB charging cable into the port.
3. Connect the other end of the USB cable to a compatible USB power source (e.g., USB adapter, computer, power bank).
4. The LED light at the bottom of the device will illuminate red to indicate that it is charging.
5. Once fully charged, the red LED light may turn off or change color depending on the model.
Disconnect the device from the charger.

OPERATING INSTRUCTIONS

1. Ensure the device is fully charged before use.
2. Select the appropriate trimming head for the desired area (tapered for eyebrows, nose, lip; flat for larger facial or body areas).
3. Turn on the device using the power switch. The internal LED light will illuminate.
4. Gently press the trimming head against your skin and move it in small, circular motions or against the direction of hair growth.
5. For eyebrows, use the tapered head to carefully shape and remove stray hairs. The LED light helps to see fine hairs clearly.
6. For facial hair (peach fuzz, lip, chin), use either head as preferred, moving gently over the skin.
7. For body hair (arms, legs), use the flat head for efficient removal.
8. After use, turn off the device.

MAINTENANCE & CLEANING

1. After each use, turn off the device.
2. Remove the trimming head by twisting it counter-clockwise.
3. Use the provided cleaning brush to remove any trapped hairs from the blade and the inside of the device.
4. The trimming heads are washable. Rinse them under running water to thoroughly clean. Ensure they are completely dry before reattaching or storing.
5. Do not rinse the main body of the device under water.
6. Store the device in a cool, dry place with the protective cap on.

SPECIFICATIONS

Feature	Detail
Product Dimensions	1 x 1 x 5 inches
Weight	4.41 ounces
Power Source	Battery Powered (Rechargeable via USB)
Special Features	Easy to Clean, Rechargeable, Built-in LED Light, 2 Interchangeable Heads
Manufacturer	Sunwayi

TROUBLESHOOTING

- Device not turning on:** Ensure the device is fully charged. Connect it to a USB power source and check if the red charging indicator light appears.
- Poor trimming performance:** Clean the trimming head thoroughly with the provided brush. Ensure the head is securely attached. If performance does not improve, the blade may be dull and require replacement (if available from manufacturer).

- **Skin irritation:** Ensure your skin is clean and dry before use. Apply gentle pressure and avoid pressing too hard. If irritation persists, discontinue use.

WARRANTY & SUPPORT

For warranty information, product support, or to purchase replacement parts, please refer to the manufacturer's official website or contact their customer service directly. Keep your purchase receipt for warranty claims.
