Tribesigns 50x50x103cm

Tribesigns 5-Tier Flower Stand Instruction Manual

Model: 50x50x103cm

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Tribesigns 5-Tier Flower Stand. Designed for indoor use, this multi-functional plant rack allows you to elegantly display your favorite potted plants, flower vases, and decorative items. Its unique tiered design, combining wood-grain surfaces with a sturdy metal frame, enhances any living space while providing a refreshing atmosphere.

SAFETY INFORMATION

- Ensure all components are securely fastened before placing items on the stand.
- Do not exceed the maximum load capacity of 7 kg per shelf.
- Place the stand on a flat, stable surface to prevent tipping.
- Keep small parts away from children during assembly.
- Avoid exposing the stand to excessive moisture or direct sunlight for prolonged periods to maintain material integrity.

PACKAGE CONTENTS

Please verify that all parts are present before beginning assembly. If any parts are missing or damaged, please contact

customer support.

- Wooden shelves (5 pieces)
- Metal frame components
- Adjustable feet (4 pieces)
- Assembly hardware (screws, wrench)
- Instruction manual

SETUP AND ASSEMBLY

The Tribesigns 5-Tier Flower Stand is designed for straightforward assembly. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Adjustable Feet:** Screw the adjustable feet into the base of the main frame structure. Ensure they are tightened but allow for minor adjustments later.
3. **Assemble Frame:** Connect the metal frame components according to the provided diagram in the included instruction manual. Use the supplied screws and wrench to secure all connections. Do not overtighten initially.
4. **Install Shelves:** Place each wooden shelf onto its designated position on the metal frame. Secure them with the appropriate hardware. The tiered design allows for varied plant heights.
5. **Final Tightening:** Once all parts are assembled, gently tighten all screws to ensure stability.
6. **Leveling:** Adjust the feet as needed to ensure the stand is level and stable on your floor.

OPERATING INSTRUCTIONS

The Tribesigns 5-Tier Flower Stand is designed for displaying plants and decorative items. To ensure optimal use:

- **Placement:** Position the stand in an indoor area with adequate light for your plants. The compact design (50x50x103cm) makes it suitable for various room sizes.
- **Load Capacity:** Each shelf can support up to 7 kg. Distribute weight evenly across the shelves.
- **Plant Arrangement:** Utilize the five tiered shelves to create a dynamic display. Taller plants can be placed on lower or higher shelves depending on their growth pattern and light requirements.

MAINTENANCE

To maintain the appearance and longevity of your flower stand:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the powder coating or engineered wood.
- **Water Resistance:** The shelves feature a waterproof finish, making them easy to clean from water spills. However, prolonged exposure to standing water should be avoided.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Stand is wobbly or unstable.	Uneven floor surface; loose connections.	Adjust the leveling feet at the base until stable. Ensure all screws are securely tightened.
Difficulty assembling parts.	Incorrect orientation of parts; screws not aligned.	Refer to the assembly diagram in the manual. Ensure parts are oriented correctly before tightening screws. Do not force components.
Scratches on surfaces.	Improper handling during assembly or cleaning.	Use a soft cloth for cleaning. Avoid dragging sharp objects across surfaces.
