## Kate and Laurel Fellows 220883

# Kate and Laurel Fellows Framed Arch Wall Mirror Instruction Manual

Model: Fellows 220883

Brand: Kate and Laurel

## 1. Safety Information

**WARNING:** This mirror is heavy and has a sharp, arched shape. Handle with care to avoid injury. Always secure the mirror to the wall using the provided hangers to prevent it from falling and breaking. Do not install on walls with weak support or in areas with high traffic or vibration. Always supervise children and pets around the mirror.

## 2. Product Overview

The Kate and Laurel Fellows Framed Arch Wall Mirror is designed to enhance the traditional style of your home. This mirror features a stunning arched shape with soft corners and an attractive gold finish, making it a decorative focal point in various settings.

### Key Features:

- **Traditional Look:** Features a soft shape with a scalloped arch for a charming and dramatic appearance.
- **Elegant Finish:** This edition features an antique gold finish, reminiscent of vintage decor.
- **Ample Size:** Measures 18 inches wide by 1 inch deep by 24 inches tall, providing a noticeable presence.
- **Versatile Placement:** Suitable as a focal point in a gallery display, above a mantle, or as a bathroom vanity mirror.
- **Easy to Hang:** Equipped with simple metal sawtooth hangers for quick and easy wall installation.

## 3. Setup and Installation

The Fellows Arch Wall Mirror is designed for straightforward wall mounting. Ensure the chosen wall location can support the mirror's weight (approximately 10.45 pounds).

### Installation Steps:

1. **Identify Mounting Points:** Locate the metal sawtooth hangers on the back of the mirror frame.
2. **Mark Wall:** Measure the distance between the hangers and mark the corresponding points on your wall. Use a level to ensure the marks are even.
3. **Install Fasteners:** Install appropriate wall anchors or sturdy nails at the marked points. Ensure these fasteners are suitable for the wall material and can safely hold the mirror's weight.
4. **Hang Mirror:** Carefully align the sawtooth hangers with the installed fasteners and gently lower the mirror into place. Verify that the mirror is securely seated and level.

## 4. Placement and Usage

The Fellows Arch Wall Mirror offers versatile placement options to complement various room designs and functions. It can be hung vertically or horizontally depending on your aesthetic preference and space requirements.

### Recommended Locations:

- **Bathroom:** Ideal as a vanity mirror, adding elegance to your powder room or master bathroom.
- **Living Room:** Can serve as a decorative focal point above a mantle or as part of a gallery wall.
- **Entryway/Hallway:** Creates an inviting atmosphere and provides a last-minute check before leaving.
- **Bedroom:** Enhances the decor when placed above a dresser or as a standalone accent.

Figure 5: The mirror serving as a stylish decorative element above a desk, complementing surrounding decor.

## 5. Maintenance

To maintain the clarity and appearance of your Kate and Laurel Fellows Arch Wall Mirror, follow these simple care instructions:

- **Cleaning the Mirror Surface:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping behind the frame. Wipe gently until

clean and streak-free.

- **Cleaning the Frame:** Dust the frame regularly with a soft, dry cloth. For more thorough cleaning, a slightly damp cloth can be used, followed immediately by a dry cloth to prevent moisture damage. Avoid harsh chemicals or abrasive cleaners on the frame, as they may damage the finish.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the frame finish over time.

## 6. Care and Common Concerns

This section addresses common concerns and provides additional care tips for your mirror.

- **Streaks on Mirror:** If streaks appear after cleaning, try using a solution of equal parts white vinegar and water, or switch to a microfiber cloth. Ensure the cloth is clean and dry.
- **Frame Discoloration:** Avoid using chemical cleaners or abrasive materials on the frame. If discoloration occurs, it may be due to prolonged exposure to moisture or harsh cleaning agents.
- **Loose Mounting:** Periodically check the wall fasteners and hangers to ensure the mirror remains securely mounted. If any looseness is detected, re-secure the mirror immediately to prevent falling.

## 7. Specifications

| Feature | Detail |
|---|---|
| Brand | Kate and Laurel |
| Model Name | Fellows |
| Model Number | 220883 |
| Product Dimensions | 24"L x 18"W |
