INTRODUCTION

Thank you for purchasing the Banpresto Dragon Ball Z: Blood of Saiyans XI - Son Gohan Super Saiyan 2 Figure. This non-articulated PVC figure is a detailed collectible designed for display. This manual provides essential information for the proper setup, care, and maintenance of your figure.

WHAT'S IN THE BOX

- Son Gohan Super Saiyan 2 Figure
- Display Base

SETUP

Follow these steps to set up your Son Gohan figure for display:

1. Carefully remove the Son Gohan Super Saiyan 2 figure and its display base from the packaging.
2. Identify the designated slot on the display base and the corresponding peg or indentation on the figure's feet.
3. Gently align the figure with the display base and press down firmly until the figure is securely attached. Ensure it is stable and upright.
4. Position the figure as desired for display on a flat, stable surface.

DISPLAY

To ensure the longevity and best presentation of your figure:

- Place the figure on a flat, stable surface to prevent accidental falls.
- Avoid direct sunlight exposure, which can cause color fading over time.
- Keep the figure away from extreme temperatures or high humidity.
- Display in a location where it is less likely to be knocked over or damaged.

CARE AND MAINTENANCE

Proper care will help maintain the appearance of your figure:

- **Cleaning:** Use a soft, dry cloth or a soft brush to gently remove dust from the figure. Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the paint or material.
- **Handling:** Handle the figure by its base or main body. Avoid gripping smaller, delicate parts to prevent breakage.
- **Storage:** If storing the figure, keep it in its original packaging or a protective container in a cool, dry place away from direct light.

TROUBLESHOOTING
