The MM-TB1-24R card is a rare (R) card from the Puella Magi Madoka Magica Tie-up Booster series for the Build Divide TCG. It features the character Mami Tomoe in her Team Leader role. This card is intended to be collected and used in competitive or casual gameplay according to the Build Divide TCG rules.

SETUP

To integrate the MM-TB1-24R card into your Build Divide TCG deck:

1. **Review Card Details:** Carefully read the card's text, including its cost, power, abilities, and any specific keywords. This information is crucial for understanding its role in your deck.
2. **Deck Construction:** Ensure your deck adheres to the official Build Divide TCG deck construction rules, including minimum and maximum card counts, and any restrictions on specific card types or rarities.

- 3. **Sleeving (Optional but Recommended):** For protection and longevity, place the card into a standard trading card sleeve. This helps prevent wear, scratches, and bending during shuffling and gameplay.
- 4. **Shuffling:** Once integrated into your deck, shuffle your deck thoroughly according to official game rules before starting a match.

OPERATING (GAMEPLAY)

Using the MM-TB1-24R card during a Build Divide TCG match involves understanding its specific attributes and the general game flow:

- **Card Type:** Identify if the card is a Unit, Command, or other type, as this dictates when and how it can be played.
- **Cost:** Pay the required resource cost (e.g., energy, mana) to play the card from your hand to the field or activate its abilities. The cost is typically indicated on the card.
- **Abilities:** Activate any special abilities or effects printed on the card during the appropriate phases of the game. These may include attack boosts, defensive maneuvers, or other strategic advantages.
- **Timing:** Adhere to the game's timing rules for playing cards and activating abilities. Some effects can only be used during specific turns or phases.
- **Interaction:** Understand how this card interacts with other cards on the field, in your hand, or in your discard pile.

For comprehensive gameplay instructions, refer to the official Build Divide TCG rulebook available from VANGUARD or authorized retailers.

MAINTENANCE

Proper care ensures the longevity and condition of your MM-TB1-24R card:

- **Storage:** Store the card in a cool, dry place away from direct sunlight, extreme temperatures, and humidity. Use card binders, deck boxes, or protective sleeves for organized and safe storage.
- **Handling:** Always handle the card by its edges to avoid leaving fingerprints or oils on the surface. Avoid bending, creasing, or tearing the card.
- **Cleaning:** If necessary, gently wipe the card surface with a clean, dry, soft microfiber cloth. Do not use liquids or abrasive materials.
- **Protection:** Using card sleeves during gameplay is highly recommended to protect against spills, scratches, and general wear and tear.

TROUBLESHOOTING

While trading cards are generally simple, issues can arise. Here are some common concerns and solutions:

Issue	Solution
Card is bent or warped.	Place the card in a tight-fitting sleeve or top-loader, then press it under a heavy, flat object for several days. Avoid excessive moisture.

Issue	Solution
Card surface is scratched.	Minor scratches are often unavoidable with use. For future protection, always use card sleeves. Deep scratches cannot be repaired.
Card is lost or damaged beyond repair.	Unfortunately, individual cards cannot be replaced by the manufacturer due to loss or severe damage. You may need to acquire a new copy from a retailer or secondary market.
Unsure about a card's rule or interaction.	Consult the official Build Divide TCG rulebook, official online FAQs, or contact VANGUARD customer support for clarification.
