Miroddi MagSafe Wallet Instruction Manual

Model: CB038

INTRODUCTION

Thank you for choosing the Miroddi MagSafe Wallet. This ultra-thin magnetic card holder is designed to securely attach to your compatible iPhone, providing convenient access to your essential cards. This manual provides instructions for setup, operation, maintenance, and troubleshooting to ensure optimal use of your product.

COMPATIBILITY

- Compatible with iPhone 17, 16, 15, 14, 13, and 12 series.
- Requires a MagSafe-compatible iPhone or a MagSafe-compatible phone case.
- Not compatible with iPhone 13/12 mini models.
- Not compatible with non-MagSafe phones or non-MagSafe cases.

SETUP

1. **Ensure Compatibility:** Verify that your iPhone model or phone case is MagSafe compatible.
2. **Clean Surface:** Ensure the back surface of your iPhone or MagSafe case is clean and free of dust or debris.
3. **Attach Wallet:** Align the Miroddi MagSafe Wallet with the MagSafe ring on the back of your iPhone or MagSafe case. The strong magnets will snap the wallet securely into place.

OPERATING INSTRUCTIONS

- 1. Inserting Cards:** The wallet features 3 card slots. Gently slide your cards (credit cards, ID, cash) into the designated slots. The wallet is designed to comfortably hold 2-3 cards.
- 2. Removing Cards:** To remove a card, gently push it up from the bottom opening or slide it out from the top of the slot. The trapezoidal design facilitates easy access.
- 3. Secure Attachment:** The upgraded magnets provide a strong magnetic force of up to 4200Gs, ensuring the wallet remains firmly attached to your iPhone even during movement.

Perfect EDC (every day carry) wallet

Hold 3 cards and 2~3 bills, 1 per sleeve

MAINTENANCE

- **Cleaning:** Use a dry cloth to clean the vegan leather surface of the wallet. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the wallet in a cool, dry place when not in use to maintain its quality and appearance.

TROUBLESHOOTING

- **Wallet Not Attaching Securely:**
 - Ensure your iPhone or case is MagSafe compatible. Non-MagSafe devices or cases will not provide sufficient magnetic hold.

- Check for any obstructions (e.g., dust, debris) between the wallet and your phone/case.

• **Difficulty Inserting/Removing Cards:**

- Avoid overfilling the wallet. It is designed for 2-3 cards for optimal functionality.
- The vegan leather may be slightly stiff initially; it will soften with use.

- **RFID Protection:** The wallet includes RFID blocking technology to protect your credit cards from unauthorized scanning and demagnetization. Ensure cards are fully inserted into the slots for full protection.
