# NATERIAL LYRA Extendable Garden Table User Manual

Model: LYRA (3276007278873)

Brand: Naterial

## 1. INTRODUCTION

Thank you for choosing the NATERIAL LYRA Extendable Garden Table. This manual provides essential information for the proper setup, operation, maintenance, and care of your new table. Please read this manual thoroughly before assembly and use to ensure safe and optimal performance. This table is designed for outdoor use, providing a versatile dining solution for up to 10 people.

## 2. PRODUCT FEATURES

- **Extendable Design:** The tabletop extends from 180 cm to 260 cm, accommodating 8 to 10 guests. The 80 cm extension plate allows for quick adjustment.
- **Durable Construction:** Features a robust aluminum frame that is weather-resistant and rust-proof, ensuring longevity in outdoor environments.
- **Elegant Glass Top:** The smooth glass surface provides a modern aesthetic and is easy to clean.
- **Adjustable Stability:** Equipped with adjustable feet to compensate for uneven surfaces, providing enhanced stability.
- **Easy Maintenance:** The glass top and aluminum frame require minimal effort for cleaning.

### 3. SETUP AND ASSEMBLY

The NATERIAL LYRA table requires minimal assembly. Ensure all components are present before beginning. While specific step-by-step instructions are not provided here, general assembly typically involves attaching the legs to the tabletop. Refer to the included hardware and diagrams for precise connections.

1. Unpack all components and verify against the packing list.
2. Carefully place the tabletop upside down on a soft, clean surface to prevent scratches.
3. Attach each leg to the designated corner of the tabletop using the provided fasteners. Ensure all connections are secure but do not overtighten.
4. Carefully turn the table upright.
5. Adjust the feet as necessary to ensure the table is level and stable on your chosen surface.

## 4. OPERATING INSTRUCTIONS

The LYRA table features an intuitive extension mechanism to easily adjust its length.

### 4.1 Extending the Table

1. Gently pull one end of the tabletop outwards. The main sections of the table will slide apart, revealing the central extension leaf storage area.
2. Lift the extension leaf from its stored position.
3. Place the extension leaf into the gap created between the two main tabletop sections. Ensure it is properly aligned and seated.
4. Push the main tabletop sections back together until they meet the extension leaf, creating a continuous surface.

### 4.2 Retracting the Table

1. Gently pull one end of the tabletop outwards to create a gap.
2. Lift the extension leaf out of the gap.
3. Store the extension leaf in its designated storage area beneath the table.
4. Push the main tabletop sections back together until they are fully closed.

## 5. MAINTENANCE AND CARE

---

Proper care will ensure the longevity and appearance of your NATERIAL LYRA table.

- **Cleaning:** For routine cleaning, simply use a soft sponge or cloth with warm water. For more stubborn dirt, a mild soap solution can be used. Rinse thoroughly and dry with a clean cloth to prevent water spots. Avoid abrasive cleaners or harsh chemicals.
- **Winter Storage:** Although the aluminum frame is rust-proof and weather-resistant, it is highly recommended to bring the table indoors during the winter season or cover it with a suitable, breathable outdoor furniture cover. This will protect the glass top and extend the overall lifespan of the table.
- **Stability Check:** Periodically check that all fasteners are tight. If the table feels wobbly, tighten the screws. Adjust the feet as needed to maintain stability.
- **Glass Top Protection:** While durable, avoid placing extremely hot items directly on the glass surface without a protective mat. Also, avoid dropping heavy or sharp objects on the glass.

## 6. TROUBLESHOOTING

---

Here are some common issues and their solutions:

- **Table is Wobbly:**

**Solution:** Check if the adjustable feet are properly set. Adjust each foot individually until the table is stable on the surface. Also, ensure all assembly screws are tightened.

- **Extension Mechanism is Stiff:**

**Solution:** Ensure the tracks are clean and free of debris. A silicone-based lubricant (avoid oil-based lubricants that can attract dirt) can be applied sparingly to the sliding mechanisms if needed.

- **Scratches on Glass Top:**

**Solution:** Minor scratches may be polished with specialized glass scratch removal kits. For deeper scratches, professional repair or replacement of the glass top may be necessary. Always use placemats or coasters to prevent scratches.

## 7. SPECIFICATIONS

Attribute	Detail
Brand	Naterial
Model	3276007278873 (LYRA)
Color	Lyra - White
Dimensions (Compact)	180 x 96 x 74 cm (Length x Width x Height)
Dimensions (Extended)	260 x 96 x 74 cm (Length x Width x Height)
Weight	45 Kilograms
Material	Aluminum frame, Glass top
Special Features	Weather-resistant, Extendable, Adjustable feet
Recommended Use	Outdoor dining and socializing

## 8. WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the documentation provided at the time of purchase or contact Naterial customer service directly. Keep your proof of purchase for any warranty claims. For further assistance, please visit the official Naterial website or contact your retailer.
