HyperX 4Z7X3AA

HyperX Pulsefire Mat Gaming Mouse Pad Instruction Manual

Model: 4Z7X3AA

1. INTRODUCTION

The HyperX Pulsefire Mat Gaming Mouse Pad is engineered for durability and precise tracking, featuring a highly optimized surface and anti-fray stitching. Designed to enhance both gaming performance and user comfort, it incorporates an anti-slip rubber underside and comfortable padding. Its flat surface ensures a smooth, consistent mouse glide, and its rollable design allows for easy portability. The Pulsefire Mat is available in various size options to suit different play styles and space requirements.

2. KEY FEATURES

- **Flush, Anti-Fray Stitching:** Designed to prevent fraying and ensure long-term durability.

- **Durable Surface, Highly-Tuned for Precision:** Provides a consistent and accurate tracking surface for all mouse sensors.

- **Comfort and Stability:** Features comfortable padding and a non-slip rubber base to keep the mat firmly in place during intense use.

- **Variety of Size Options:** Available in multiple sizes to accommodate different desk setups and user

preferences.

3. SETUP

Setting up your HyperX Pulsefire Mat is straightforward:

1. **Unpack:** Carefully remove the mouse pad from its packaging.
2. **Unroll:** Gently unroll the mouse pad and lay it flat on your desired surface.
3. **Position:** Adjust the mouse pad to your preferred position on your desk. The non-slip rubber base will help it stay in place.

The mat is designed to lie flat quickly after unrolling, ensuring immediate usability.

4. OPERATING

The HyperX Pulsefire Mat is designed for optimal mouse performance:

- **Smooth Glide:** The precise cloth surface allows for effortless and consistent mouse movements, crucial for gaming accuracy.
- **Enhanced Control:** The optimized texture provides the right balance of speed and control, catering to various play styles.
- **Stable Platform:** The non-slip rubber base ensures the mouse pad remains stationary, even during rapid and aggressive mouse maneuvers.

5. MAINTENANCE

To maintain the performance and longevity of your HyperX Pulsefire Mat:

- **Cleaning:** For light cleaning, wipe the surface with a damp cloth. For deeper cleaning, use mild soap and water, then air dry completely. Avoid harsh chemicals.
- **Avoid Folding:** While the mat is flexible, prolonged sharp folding may create creases. Store by rolling it up if not in use.
- **Surface Care:** Keep the surface free from debris and dust to ensure consistent mouse tracking.

6. Troubleshooting

If you encounter any issues with your mouse pad:

- **Mat Not Lying Flat:** Upon initial unrolling, the mat may have a slight curl. This typically flattens out within a few hours or days of use. You can gently roll it in the opposite direction or place heavy, flat objects on it overnight to expedite the process.
- **Mouse Tracking Issues:** Ensure the mouse pad surface is clean and free from dust or debris. Also, check your mouse's sensor for any obstructions.
- **Slipping:** Verify that the non-slip rubber base is clean and that the surface it rests on is dry and smooth.

7. Specifications

Attribute	Detail
Brand	HyperX
Model Number	4Z7X3AA
Material	Rubber (Base), Cloth (Surface)
Special Feature	Non-slip
Recommended Use	Gaming
Product Dimensions (Medium)	30 x 36 x 0.3 cm (11.8L x 14.2W inches)
Item Weight	250 g
