cellhelmet WALL-PD-20W-W

cellhelmet 20W USB-C Fast Charging Wall Power Adapter

MODEL: WALL-PD-20W-W

Brand: cellhelmet

1. Introduction

This instruction manual provides essential information for the safe and efficient use of your cellhelmet 20W USB-C Fast Charging Wall Power Adapter. Please read this manual thoroughly before using the product and retain it for future reference.

2. Product Overview

The cellhelmet 20W USB-C Fast Charging Wall Power Adapter is designed to provide rapid charging for a wide range of compatible devices. Featuring Power Delivery (PD) technology, it intelligently delivers the optimal wattage required for efficient and quick charging times.

Video: A brief overview of cellhelmet charging products, demonstrating the compact design and functionality of the wall adapter.

3. Setup

1. **Unpack the Adapter:** Carefully remove the cellhelmet 20W USB-C Fast Charging Wall Power Adapter from its packaging.
2. **Prepare the Cable:** Please note that a USB-C charging cable is **not included** with this adapter. Ensure you have a compatible USB-C to USB-C or USB-C to Lightning cable for your device.
3. **Connect the Cable:** Insert one end of your compatible USB-C charging cable into the USB Type C port on the wall adapter.
4. **Plug into Power Outlet:** Extend the foldable prongs of the wall adapter and firmly plug it into a standard 120V AC power outlet.
5. **Connect to Device:** Insert the other end of the charging cable into your compatible device (e.g., smartphone, tablet).

4. Operating Instructions

Once properly connected, the cellhelmet 20W USB-C Fast Charging Wall Power Adapter will automatically begin charging your device. The Power Delivery (PD) technology ensures that your device receives the maximum safe charging speed it can handle, up to 20W.

- **Fast Charging:** For devices that support Power Delivery, you will experience significantly faster charging times compared to standard chargers.
- **Compatibility:** This adapter is compatible with a wide range of cellular phones and tablets, including iPhone (11, 12, 13, 14, 15, 16 series, Pro/Pro Max, XS/X/SE, 8/8 Plus), iPad/iPad mini, Galaxy phones, and Pixel phones.
- **Optimal Performance:** For best results, use high-quality, certified USB-C charging cables.

5. Safety Information

- Do not expose the adapter to liquids, moisture, or extreme temperatures.
- Do not disassemble or attempt to repair the adapter.
- Avoid dropping or subjecting the adapter to strong impacts.
- Keep out of reach of children.
- Unplug the adapter from the power outlet when not in use or during electrical storms.
- Ensure the power outlet is easily accessible for quick disconnection.

6. Maintenance

- Clean the adapter with a soft, dry cloth. Do not use liquid cleaners or aerosols.
- Store the adapter in a cool, dry place when not in use.
- Regularly inspect the adapter and charging cable for any signs of damage. Discontinue use if damage is found.

7. Troubleshooting

Problem	Possible Solution
Device not charging.	Ensure the adapter is firmly plugged into a working power outlet. Check the charging cable for damage and ensure it is securely connected to both the adapter and the device. Try a different cable or device to isolate the issue.
Slow charging.	Verify that your device and cable support Power Delivery (PD) for fast charging. Ensure the cable is not excessively long, which can reduce charging speed. Close unnecessary apps on your device.
Adapter is hot.	It is normal for the adapter to become warm during operation. If it becomes excessively hot, disconnect it immediately and allow it to cool. Ensure adequate ventilation around the adapter.

8. Specifications

- **Model Number:** WALL-PD-20W-W
- **Output Power:** 20W
- **Input Voltage:** 120 Volts
- **Amperage:** 4.8 Amps
- **Total USB Ports:** 1 (USB Type C)
- **Connectivity Technology:** USB
- **Special Feature:** Fast Charging (Power Delivery)
- **Compatible Devices:** Cellular Phones, Tablets
- **Compatible Phone Models:** iPhone, Android, Pixel, Motorola (including iPhone 11/12/13/14/15/16 series, PRO/PROMAX, XS/X/SE, 8/8 Plus, iPad/iPad mini, Galaxy, Pixel Phones)
- **Product Dimensions:** 1.8 x 4.5 x 4.25 inches
- **Item Weight:** 2.08 ounces
- **Color:** White
- **Manufacturer:** cellhelmet
- **Date First Available:** March 7, 2022

9. Warranty and Support

For warranty information and customer support, please refer to the official cellhelmet website or contact their customer service directly. Keep your purchase receipt as proof of purchase for any warranty claims.
